RE: Payment of Interim Dividend-Horizon FX Investments Limited Partnership

Pursuant to an Order of the Supreme Court of British Columbia dated December 17, 2010, we are pleased to enclose an interim dividend payment of 15 cents on the dollar, based upon the Canadian dollar amount of your claim as accepted by the Trustee, less a mandatory levy payable to the Superintendent of Bankruptcy, Canada, in the amount of 1.762% of the gross dividend. A copy of the December 17, 2010 Court Order can be found on the Trustee's website, www.sands-trustee.com. For clarification, all creditor claims were converted to Canadian dollars as at the date of bankruptcy on September 1, 2009. The rate used to convert US dollars to Canadian dollars was 1.1041, as published by the Bank of Canada.

Please note, at this time, we are unable to predict the timing and amount of any future dividend payments to creditors and request that creditors visit the Trustee's website for future updates.

At the request of the Inspectors, we have been asked to remind the creditors to kindly refrain from contacting the Trustee unless absolutely necessary, in order to minimize the professional fees incurred by the estate from the Trustee responding to routine creditor enquiries. Instead, creditors are asked to visit the Trustee's website for status updates, www.sands-trustee.com.

To the Creditors of Horizon FX Investments Limited Partnership, Horizon FX Investments Incorporated, HFX Management Services Inc. and Cem Ali (aka Gem Ali)

RE: NOTICE OF INTENTION TO MAKE A PROPOSAL

Please be advised that Horizon FX Investments Limited Partnership, Horizon FX Investments Incorporated, HFX Management Services Inc. and Cem Ali (aka Gem Ali) (the "debtors") have filed a Notice of Intention to Make a Proposal ("NOI") on February 11, 2009, and E. Sands & Associates Inc. has consented to act as Trustee under the Proposal. A copy of the NOI, the Certificate of Filing for each entity and a List of Creditors with claims of \$250 or more is attached for your records. The claims of substantially all of the creditors arose from the loss of investment funds provided to the debtors.

The NOI has the effect of staying all proceedings against the debtors while in the process of formulating a proposal to Creditors.

The debtors are required to file a Proposal to the creditors within 30 days of the filing of the NOI or within any extension of the period granted by the Court.

Following the filing of the Proposal by the debtors, a general meeting of creditors will be scheduled within 21 days to consider and vote on the Proposal.

The amounts listed on the attached creditor list were obtained from the debtors. The creditors will be provided instructions on the claims process, the Proposal documents and details of the general meeting of creditors in due course.

Should you have any questions with regard to the foregoing, please feel free to contact Blake M. Elyea or Bruce B. Gandossi of our office as follows:
