Appendix A Receivership Order dated December 21, 2023

Appendix B Asset Purchase Agreement – The Sockdoc LLC

I. INTRODUCTION AND BACKGROUND

1. HBJR Holdings Ltd. ("**HBJR**" or the "**Company**") was incorporated under the laws of British Columbia on March 15, 2012. The principal of the Company is Mr. Brandon Segal.
2. The Company sold compression socks, slippers, sleepwear and other apparel under the brand names, Dr. Segal's and Pudus. HBJR's revenue streams consisted of business-to-business sales, and direct to consumers sales through their websites.
3. On December 21, 2023, on the application of Toronto-Dominion Bank ("**TD**"), the Supreme Court of British Columbia (the "**Court**") pronounced an Order (the "**Receivership Order**") appointing BDO Canada Limited, as receiver (in such capacity, the "**Receiver**" or "**BDO**") of the assets, undertakings and property (the "**Assets**") of HBJR.
4. A copy of the Receivership Order is attached as **Appendix A**.

II. PURPOSE OF THIS REPORT

5. This first report of the Receiver (this "**First Report**" or "**Report**") has been prepared to provide this Honourable Court with information with respect to the following:
 - a) The background of the Company and the Assets;
 - b) The activities of the Receiver since the date of the Receivership Order;
 - c) The sales process undertaken by the Receiver to solicit offers for the Assets; and
 - d) To request the Court's approval of the Asset Purchase Agreement between the Receiver and The Sockdoc LLC. (the "**Purchaser**").

III. SCOPE AND TERMS OF REFERENCE

6. In preparing this Report and in making the recommendations contained herein, the Receiver has relied upon information obtained from and discussions with the Company's principal, the Company's secured creditors, and where appropriate, the Company's books and records.
7. The Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of such information and, accordingly, the Receiver expresses no opinion or other assurance in respect of such information as reflected in this Report.
8. All references to dollars are in Canadian currency unless otherwise noted.

IV. THE BUSINESS, ASSETS, AND LIABILITIES

The Business

9. The Company sold compression socks, slippers, sleepwear and other apparel to businesses and consumers through their websites. The Company did not own or lease a physical premises, and all inventory that belongs to HBJR is held in three third party logistics warehouses ("**3PL**" or collectively the "**3PLs**"). The 3PLs are located in:
 - (a) Surrey, British Columbia ("**CAD 3PL No. 1**").
 - (b) Richmond, British Columbia ("**CAD 3PL No. 2**").
 - (c) Illinois, United States ("**US 3PL**").
10. HBJR received orders from customers placed with the Company's sales representatives or directly through the Company's websites. HBJR then directed the 3PLs to fulfill orders with HBJR's inventory on hand.

11. On or around the date of the Receivership Order, CAD 3PL No. 1 had ceased to fulfill new orders due to significant arrears balances owed to them and asserted a lien right over the inventory in their warehouse.
12. The Company had four employees at the date of the receivership and eleven contractors.
13. The Receiver was in contact with the Company's insurance provider from the date of the Receivership Order. The insurance coverage was reviewed by the Receiver and was continued under the Receiver.

The Assets

14. The Company's Assets primarily consist of inventory, accounts receivable, and intellectual property. Due to their specialized nature, the narrow market for purchasers and the associated cost, the Receiver opted not to obtain a formal appraisal for the purpose of valuing the assets. The Receiver instead opted to permit the market to do so.
15. The number of units at cost, retail price, and wholesale price of the Company's inventory was as follows:

Location	Units Held	Inventory at average unit cost	Inventory at wholesale price	Inventory at retail price
CAD 3PL No. 1	85,153	\$ 572,776	\$ 1,771,943	\$ 3,492,712
CAD 3PL No. 2	53,555	\$ 63,294	\$ 437,293	\$ 874,578
US 3PL	386,678	\$ 727,025	\$ 3,859,221	\$ 7,708,508
Total	525,386	\$ 1,363,095	\$ 6,068,456	\$ 12,075,798

16. The Receiver has been in contact with the 3PLs to determine the inventory on hand and the arrears balances. All 3PLs had asserted a lien right over inventory held in their respective warehouses at the time the Receivership Order was made. The total liens are approximately \$290,000.
17. CAD 3PL No. 1 refused to continue fulfilling orders until such time that the arrears balance had been paid down.

18. CAD 3PL No. 2 was primarily used as a warehouse to store excess inventory. There were sufficient sales orders in Canada to pay the arrears balance owing to CAD 3PL No. 2 of approximately \$2,000 so that inventory could be released and no further warehouse lien right existed. The Receiver paid CAD 3PL No. 2 arrears and it no longer asserts a lien against the inventory in its warehouse.
19. The US 3PL agreed to continue fulfilling orders on the basis that the Receiver paid the fulfillment costs going forward. The Receiver has been paying the freight costs and has continued to fulfill orders out of the US 3PL.
20. The Receiver has continued to collect accounts receivable on sales made prior to the receivership.
21. The intellectual property consists of website domains and trademarks. The trademarks include the following:
 - (a) Piika;
 - (b) Pudus;
 - (c) Everyday. Travel. Sports. Life.;
 - (d) Pudus & Deer in Heart in Banner Design; and,
 - (e) Dr. Segal's & Shield Design.

Estimated Recovery

22. The Receiver has determined that there will be a significant shortfall to the secured lender as estimated in the table below:

As at March 25, 2024		\$ (000's)
<i>Assets</i>		
Cash		21
Accounts receivable		167
Sale of inventory		156
En bloc sale of inventory and intellectual property		470
<i>Less:</i>		
Operating costs and professional fees		(432)
Estimated lien payout to 3PLs		(70)
Net assets available for distribution		<u>312</u>
<i>Due to secured creditor - TD</i>		1,500
Total Estimated Shortfall to TD		<u>1,188</u>

23. TD is owed approximately \$1,500,000 by HBJR. The Receiver estimates that TD will suffer a shortfall on its loan of approximately \$1,188,000. Unsecured creditors are owed approximately \$419,000. After paying out priority claims and professional fees, there is no anticipated recovery for unsecured creditors.
24. Canada Revenue Agency (“**CRA**”) has performed a trust examination. The Receiver is not aware of any outstanding payroll source deductions owing to CRA that ranks in priority to TD, the first secured creditor as of the date of this report.

V. THE ACTIVITIES OF THE RECEIVER

25. Since the date of the Receivership Order, the Receiver’s activities have included:
- a) Performing its statutory duties as required pursuant to subsection 245(1) and 246(1) of the *Bankruptcy and Insolvency Act (Canada)* in relation to creditor and Official Receiver notification requirements;

- b) Setting up and maintaining a creditor webpage with relevant Court filings;
- c) Freezing the Company's bank accounts;
- d) Numerous discussions and correspondence with TD Bank USA to take possession of the Company's US domiciled bank account;
- e) Terminating all employees and contractors;
- f) Re-engaging a former employee and contractor to perform specified tasks on a contract basis;
- g) Regularly holding discussions with the contractors;
- h) Attending to regular discussions and correspondence with the 3PLs to provide status updates;
- i) Evaluating options to release inventory held at CAD 3PL No.1 and CAD 3PL No. 2;
- j) Arranging for an inventory inspection to be performed at CAD 3PL No. 1;
- k) Working with the former principal of the Company to obtain additional information with respect to the Assets of the Company;
- l) Reviewing the Company's existing insurance coverage and determining the appropriateness thereof;
- m) Holding discussions with customers;
- n) Maintaining the condition of the Company's intellectual property, including domain name renewals for two of the Company's websites;
- o) Soliciting liquidation and going concern offers with respect to the Company's Assets;

- p) Canvassing competitors, customers and other parties identified by the Receiver to see if there was interest in purchasing the Assets;
- q) Reviewing offers for the Assets;
- r) Corresponding with CRA to request and perform a payroll trust examination;
- s) Providing updates to TD; and,
- t) Preparing this First Report to Court.

VI. SALES PROCESS OF THE RECEIVER

26. On January 3, 2024 the Receiver commenced a tender bid process to solicit offers for the Assets, or any of them, by first contacting Interested Parties (as defined below). A deadline for offers was set for January 24, 2024. A short process was conducted in order to minimize the substantial ongoing operating costs.
27. Commencing on January 3, 2024 a summary of Assets was sent to:
- (a) seventeen (17) liquidators and competitors;
 - (b) nineteen (19) former or current customers;
 - (c) six (6) parties which contacted the Receiver directly; and
 - (d) the former principal of the Company.
- (collectively, "**Interested Parties**").
28. On January 15 and 22, 2024, the Receiver published an advertisement in the Insolvency Insider publication, soliciting offers for the Assets. Insolvency Insider is broadly distributed and read within the insolvency community, including by purchasers of distressed assets (including liquidators and auctioneers), lenders, lawyers and trustees.

29. The Receiver requested that Interested Parties provide their offers with an allocation of the offer amount by inventory location.
30. Of the Interested Parties, five (5) signed a non-disclosure agreement and were provided additional financial information regarding the Company.
31. The former principal of the Company also indicated interest in purchasing the Assets, but was not required to sign a non-disclosure agreement as he already had access to the information.
32. After reviewing the further information provided, two (2) parties indicated that they would not be moving forward with an offer.
33. The Receiver ultimately received four (4) offers for the Assets, two (2) of which were offers from liquidators, one (1) was from the US 3PL, and one (1) of which was from the former principal of the Company.

VII. EVALUATION OF OFFERS

Sale Offers

34. The Receiver prepared a summary of the offers for review with TD.
35. The highest cash offer from a liquidator was for \$164,134 which would require the 3PLs' lien rights to be extinguished. The Receiver estimated that this would cost approximately \$290,000. Accordingly, the net sale proceeds from the liquidator would have been negative and this offer was not accepted.
36. The highest bid on a going concern basis was from a party related to the US 3PL, MAI Fulfillment ("**MAI**") for \$470,000 for all the Assets of the Company (the "**Subject Offer**"). The Receiver worked with the Purchaser to clarify the Assets being purchased, and its intentions for inventory held with CAD 3PL No. 1 and CAD 3PL No. 2. The Subject Offer includes a waiver of the US 3PL's lien right which would otherwise need to be paid to release the

inventory to another purchaser. The Receiver estimates the value of this waiver to be approximately \$220,000.

37. The Subject Offer is "all-or-nothing" and requires that the inventory held at CAD 3PL No. 1 and CAD 3PL No. 2 be included.
38. The Subject Offer is accompanied by a 20% deposit of \$94,000, which is currently held in trust by the Receiver's legal counsel.
39. Another going concern offer from Mr. Brandon Segal and/or entities associated with him or his family for all of the Assets was submitted. However the offer was for \$400,000, before consideration of the US 3PL lien and CAD 3PL No. 1 lien which would otherwise need to be paid to release the inventory. The Receiver estimates the net value of this offer to be approximately \$110,000 after consideration of the lien payouts.
40. The Subject Offer is clearly the best offer as it provides the highest recovery amount, certainty in terms of a recovery, contemplates continuing the Company as a going concern, and includes fair and reasonable consideration.
41. The Receiver believes that the Subject Offer reflects fair market value for the Assets and that the Assets were sufficiently exposed to the market.
42. As stated above, there is a financial encumbrance on some of the inventory in the form of a warehouse lien with CAD 3PL No. 1. Upon the closure of the sale, CAD 3PL No. 1's arrears will be paid from the sales proceeds to release the inventory. The amount is estimated to be approximately \$70,000.
43. The secured creditor, TD, supports the Subject Offer.
44. The Receiver has accepted the Subject Offer, subject to Court approval. A copy of the signed Asset Purchase Agreement ("**APA**") with the purchase price allocated is attached as **Appendix B**.

45. The Receiver requests the Court's approval of the APA.

VIII. CONCLUSION AND RECOMMENDATIONS

Conclusion

46. A payroll trust audit by CRA has been performed. CRA has indicated that there is no deemed trust claim as a result.

47. The Receiver anticipates that there will be a shortfall to the secured creditor, TD, in which case there will not be a recovery to any other creditors who rank behind TD.

48. There were four (4) offers received for the Assets of the Company.

49. The Receiver has accepted the highest offer from The Sockdoc LLC. This will result in the highest net realization for the Assets.

50. In assessing the proposed sale, the Receiver has considered:

- a) Whether the purchase price is fair and reasonable based on the market response and the offers received;
- b) The overall execution and closing risk associated with the offers;
- c) The overall fairness of the sale process; and,
- d) The support of the secured creditor for the APA.

Recommendations

51. The Receiver recommends that the Court approve the APA with The Sockdoc LLC.

All of which is respectfully submitted this 28th day of March, 2024.

CONTINUATION OF SERVICES

12. All Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and the Receiver shall be entitled to the continued use of the Debtor's current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

13. All funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever including, without limitation, the sale of all or any of the Property and the collection of any accounts receivable, in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post-Receivership Accounts**") and the monies standing to the credit of such Post-Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further order of this Court. From the Post-Receivership Accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, in reduction of the amount owing under the Petitioner's security.

EMPLOYEES

14. Subject to the employees' right to terminate their employment, all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities of the Debtor, including any successor employer liabilities as referred to in Section 14.06(1.2) of the BIA, other than amounts the Receiver may specifically agree in writing to pay or in respect of obligations imposed specifically on receivers by applicable legislation, including sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*, S.C. 2005, c.47. The Receiver shall be liable for any employee-related liabilities, including wages, severance pay, termination pay, vacation pay, and pension or benefit amounts relating to any

employees that the Receiver may hire in accordance with the terms and conditions of such employment by the Receiver.

PERSONAL INFORMATION

15. Pursuant to Section 7(3)(c) of the *Personal Information Protection and Electronic Documents Act*, S.C. 2000, c. 5 or Section 18(1)(o) of the *Personal Information Protection Act*, S.B.C. 2003, c. 63, the Receiver may disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a “Sale”). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

16. Nothing in this Order shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, “**Possession**”) of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release, or deposit of a substance contrary to any federal, provincial or other law relating to the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination (collectively “**Environmental Legislation**”), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation.
17. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver’s duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless the Receiver is actually in possession.
18. Notwithstanding anything in federal or provincial law, the Receiver is not personally liable in that position for any environmental condition that arises or environmental damage that occurred:
 - (a) before the Receiver’s appointment; or,
 - (b) after the Receiver’s appointment, unless it is established that the condition arose or the damage occurred as a result of the Receiver’s gross negligence or wilful misconduct.

19. Notwithstanding anything in federal or provincial law, but subject to paragraph 19 of this Order, where an order is made which has the effect of requiring the Receiver to remedy any environmental condition or environmental damage affecting the Property, if the Receiver complies with the BIA section 14.06(4), the Receiver is not personally liable for the failure to comply with the order and is not personally liable for any costs that are or would be incurred by any Person in carrying out the terms of the order.

LIMITATION ON THE RECEIVER'S LIABILITY

20. The Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except:
 - (a) any gross negligence or wilful misconduct on its part; or

Nothing in this Order shall derogate from the protections afforded the Receiver by Section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

21. The Receiver and its legal counsel, if any, are granted a charge (the "**Receiver's Charge**") on the Property as security for the payment of their fees and disbursements, in each case at their standard rates, in respect of these proceedings, whether incurred before or after the making of this Order. The Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to Sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.
22. The Receiver and its legal counsel shall pass their accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are referred to a judge of the Supreme Court of British Columbia and may be heard on a summary basis.
23. Prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

24. The Receiver is authorized and empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$150,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as the Receiver deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon

the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is charged by way of a fixed and specific charge (the “**Receiver’s Borrowings Charge**”) as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver’s Charge and the charges as set out in Sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

25. Neither the Receiver’s Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.
26. The Receiver is authorized to issue certificates substantially in the form annexed as Schedule “A” hereto (the “**Receiver’s Certificates**”) for any amount borrowed by it pursuant to this Order.
27. The monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver’s Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver’s Certificates.

Any Person who is served with a copy of this Order and that wishes to be served with any future application or other materials in these proceedings must provide to counsel for each of the Receiver and the Petitioner a demand for notice in the form attached as Schedule B (the “**Demand for Notice**”). The Receiver and the Petitioner need only provide further notice in respect of these proceedings to Persons that have delivered a properly completed Demand for Notice. The failure of any Person to provide a properly

completed Demand for Notice releases the Receiver and the Petitioner from any requirement to provide further notice in respect of these proceedings until such Person delivers a properly completed Demand for Notice.

31. The Receiver shall maintain a service list identifying all parties that have delivered a properly completed Demand for Notice (the “**Service List**”). The Receiver shall post and maintain an up-to-date form of the Service List on the Website.

Any interested party, including the Receiver, may serve any court materials in these proceedings by mail to any party on the Service List that has not provided a facsimile number or email address, and materials delivered by mail shall be deemed received five (5) days after mailing.
33. 34. The Receiver and its counsel are authorised to serve or distribute this Order, any other orders and any other materials as may be reasonably required in these proceedings, including any notices or other correspondence, by forwarding copies by facsimile or by email to the Debtor’s creditors or other interested parties and their advisors. For greater certainty, any such distribution or service shall be deemed to be in satisfaction of any legal or juridical obligation and notice requirements within the meaning of clause 3(c) of the *Electronic Commerce Protection Regulations*.

GENERAL

35. Any interested party may apply to this Court to vary or amend this Order on not less than seven (7) clear business days’ notice to the Service List and to any other party who may be affected by the variation or amendment, or upon such other notice, if any, as this Court may order.
36. The Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.
37. Nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.
38. This Court requests the aid, recognition and assistance of any court, tribunal, regulatory or administrative body having jurisdiction, wherever located, to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All such courts, tribunals and regulatory and administrative bodies are respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this

Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

39. The Receiver is authorized and empowered to apply to any court, tribunal or regulatory or administrative body, wherever located, for recognition of this Order and for assistance in carrying out the terms of this Order and the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

41. Endorsement of this Order by counsel appearing on this application other than the Petitioner is dispensed with.
