Court File No. 18-596879-00CL

12 Dec 18
 order authorizing the
 bankruptcy shall go as per the
 draft filed & signed. No one
 opposes. All interested parties have
 been served. I note that CRA
 was short-served by ^{two} days and
 they are perhaps the most interested
 in the motion. That said, CRA has
 been on the service list throughout
 and has been in touch with the
 Receiver and has taken no position
 throughout. I am \therefore validating
 short service.

Order sought is consistent with
 course set out in the former. Last CRA would
 have received notice of the pending motion via the second report
 of the Receiver. (Order 4344) which was properly served.
