- (b) Each Creditor having an Affected Claim in a Class shall be entitled to attend and to vote at the meeting for such Class. In order for this Plan to be accepted by a Class, it must be approved by a majority in number of the Creditors in such Class who are present and voting either in person or by proxy at the meeting and such Creditors must represent two-thirds of the Valued Claims for Voting of such Class.
- (c) The Monitor shall preside as the Chair of each meeting and shall, subject to the Initial Order or any other order of the Court, decide on matters relating to procedure at the meeting. A quorum at each meeting of a Class shall be one Creditor in that Class. If the requisite quorum is not present at any meeting or any meeting is postponed by the vote of a majority of Creditors present at such meeting in person or by proxy and entitled to vote at such meeting, then the meeting shall be adjourned by the Chair to a date not less than 10 days thereafter and to such time and place as may be appointed by the Chair, who shall determine what notice shall be provided to the Creditors.
- (d) In the event that one or more Classes, with the exception of Class 2 and Class 3, do not approve this Plan and, in the reasonable opinion of the Applicant, this Plan may be implemented substantially in accordance with its terms without any material adverse effect upon the Classes who have approved this Plan, the Applicant may deem all Affected Claims in any such Class that has not so approved this Plan to be Unaffected Claims and may apply to the Court for a Final Order which sanctions this Plan only insofar as it affects the Classes which have approved this Plan or, in the alternative, the Applicant may amend this Plan in accordance with Article 6.
- (e) A meeting for the Shareholders shall be held within 2 Business Days of the meeting of Creditors described in section 5.1(a). At such meeting the Shareholders shall consider and vote upon a resolution to approve the Plan. The results of such vote shall be presented to the Court for its consideration in connection with the Final Order but approval of the Plan by the Shareholders, or any class thereof, shall not be a condition to the Applicant seeking sanction of this Plan or to the granting of the Final Order. Alternatively, the Shareholder may execute a resolution in writing approving the Plan instead of calling a meeting of Shareholders.
- (f) Each Shareholder shall be entitled to notice of and the right to attend the meeting of Shareholders and to vote with respect to the resolution to approve the Plan.
- (g) A representative of the Applicant shall preside as the Chair of the meeting of the Shareholders and shall, subject to the memorandum and articles of association of the Applicant, the Initial Order and any other order of the Court, decide on matters relating to procedure at the meeting.

- (a) The Applicant reserves the right, at any time prior to a meeting, to amend this Plan, provided that the Applicant shall inform all Creditors and all Shareholders voting at such meeting of the details of any amendment prior to the vote being taken at the meeting and provided further that the amendment does not adversely affect any Class of Creditors or the Shareholders that have already voted.
- (b) The Applicant may propose an amendment to this Plan at a meeting of Creditors or Shareholders or at any time prior to both such meetings and it shall not be necessary to adjourn either meeting unless the Creditors or Shareholders present, in person or by proxy, by a majority vote, determine that the Creditors, Shareholders or any of them are adversely affected by the amendment proposed.
- (c) After the last meeting and prior to the Implementation Date, changes may be made to the provisions of Article 4 of this Plan with the approval of any Class

of Creditors particularly affected by the change in question and, if the Final Order has been granted, the Court.

- (d) Subsequent to any meeting and whether or not the Final Order has been granted, the Applicant may, with the approval of the Court and upon notice as prescribed by the Initial Order, make any technical or *de minimis* amendment to this Plan that is not materially prejudicial to any Class of Creditors or the Shareholders.
