COURT OF APPEAL FOR ONTARIO

BEFORE TROTTER JA

DATE 23-APR-2018

DISPOSITION OF APPEAL

The parties have agreed on the appropriate order to be made today. I ~~can have to~~ grant the extension of time to appeal under the B.A. At any future hearing, the motion for leave to appeal filed in writing for the purpose of this motion will satisfy the requirements for a leave motion, if necessary, before the panel hearing this appeal. The panel will decide whether leave will be granted.

I note that counsel have advised that Mr. Torrone and his family have or are in the process of leaving the property. In any event, they will be gone by the end of today. I wish to be absolutely clear that the order of Sale J. made on March 22, 2018 regarding vacation and the sale of the property remain in fact - in other words, the property may still be sold, notwithstanding these proceedings in this Court.
