Date: March 4, 2021
Time: 2:00pm
Where: VIA WEBEX
Before Whom: Honourable Justice D.B. Nixon

Go to the end of this document to see what else you can do and when you must do it.

Remedy claimed or sought:

1. Crown Capital Partner Funding, LP, by its general partner, Crown Capital Partner Funding Inc. (“**Crown Capital**”), is seeking the following:
 - (a) abridging the time for, and validating service of, this Application on the parties set out in the Service List attached hereto as **Schedule "A"** and the materials filed in support of this Application, if necessary, and dispensing with service on any party not served;
 - (b) granting an Order substantially in the form attached hereto as **Schedule "B"** granting an order (the “**SA Process Order**”): (i) approving the timing and possible commencement of a strategic alternatives process (the “**SA Process**”); (ii) approving the SA Process procedures; and (iii) approving the engagement of Peters & Co. Limited (“**Financial Advisor**”); (iv) approving a charge on behalf of the Financial Advisor; and (v) enhancing the powers of BDO Canada Limited in its role as court-appointed monitor (the “**Monitor**”) of Calgary Oil & Gas Syndicate Group Ltd. (“**Syndicate Group**”), Calgary Oil and Gas Intercontinental Group Ltd. (“**Intercontinental**”) (in its own capacity and in its capacity as general partner of T5 SC Oil and Gas Limited Partnership (the “**Partnership**” together with Syndicate Group and Intercontinental, the “**Companies**”); and
 - (c) such further and other relief as may be sought by Crown Capital and as considered appropriate by this Honourable Court.

Grounds for Making this Application:

2. Crown Capital relies on the following grounds in support of its Application:
 - (a) Crown Capital is the senior secured creditor of the Companies.
 - (b) On February 11, 2021, an Initial Order was granted by the Honourable Justice D.B. Nixon in the within Action under the *Companies’ Creditors Arrangement Act*, RSC 1985, c C-36 (the “**CCAA**”) which provided, among other things, a stay

of proceedings against the Companies until February 21, 2021 and appointed the Monitor;

- (c) On February 19, 2021, the Honourable Justice R.A. Neufeld granted an order amending and restating the February 11, 2021 initial order and extending the stay of proceedings to March 4, 2021 (such orders are collectively referred to as the “**Initial Order**”);
- (d) On February 17, 2021, the Companies provided a letter of intent to Crown Capital (the “**LOI**”) with a third-party (the “**Third Party**”);
- (e) Crown Capital and the Companies have had discussions to permit time for the Companies to close the transaction contemplated by the LOI, which is proposed to close on or before March 31, 2021;
- (f) In the event that the LOI transaction fails to close as contemplated by its terms, the Monitor, in consultation with the Companies, Crown Capital and the Financial Advisor, have developed the SA Process in order to solicit interest of potential equity or debt investors in, or buyers of certain property and assets of, the Companies;
- (g) The SA Process is intended to solicit proposals for either a debt or equity investment in the Companies or for the sale of the Companies’ Business and Property, as those terms are defined in the Interim Order;
- (h) As a result, Crown Capital is bringing the within Application pursuant to the CCAA for an Order approving the SA Process, the SA Process procedures (the “**SAP Procedures**”) and appointing the Financial Advisor to administer the SA Process under the direction of the Monitor;
- (i) The proposed SA Process Order in the form attached hereto as **Schedule "B"** provides that the SA Process will not commence unless there is a breach of the LOI Transaction Milestones (as that term is defined in the SA Process Order) and a SA Process Notice is issued by the Monitor;

- (j) The SA Process shall be commenced if any of the following milestones are not satisfied and upon the issuance of the SA Process Notice (as defined in the SA Process Order):
 - (i) Failure of the Companies to provide confirmation to the Monitor that approval has been received from the board of directors of the Third-Party under the LOI by March 10, 2021;
 - (ii) The Third Party must have a refundable deposit (the “**Deposit**”) as contemplated by the LOI, paid to the Companies by March 15, 2021 and evidence of same provided by the Companies to the Monitor;
 - (iii) Completion of all definitive documents in respect of the transaction (the “**LOI Transaction**”) contemplated by the LOI by March 22, 2021 and evidence of same provided by the Companies to the Monitor; and
 - (iv) Closing of the LOI Transaction between the Companies and the Third Party by March 31, 2021, with funds sufficient to repay the amounts outstanding (the “**Amounts Outstanding**”) to Crown Capital (as determined by the SA Process Order);
- (k) The timelines set out under the SAP Procedures for the Phase I and Phase II Bid Deadlines are substantially the same as the time provided for the strategic alternatives process as contemplated by the Forbearance Amending Agreement. Crown Capital believes that those timelines are reasonable to provide for the proper marketing of the business and assets of the Companies for either a refinancing, equity investment or sale of those business and assets;
- (l) As a result of the foregoing, Crown Capital further requests that: (i) the Monitor’s powers be enhanced to be authorized to conduct and complete the SA Process in conjunction with the Financial Advisor; (ii) the engagement agreement between the Companies and the Financial Advisor be approved and the Monitor is authorized to execute the engagement agreement on behalf of the Companies; and (iii) the Financial Advisor be granted a charge over the Property (as the term is

defined in the Initial Order) of the Companies, as security for the fees payable to the Financial Advisor;

- (m) The commencement of the proposed SA Process based upon a breach of the milestones in the SA Process Order permits the Companies time to close the transaction contemplated by the LOI without incurring further expenses of the SA Process, and provides certainty to Crown Capital that the business and assets of the Companies will be marketed and investment solicited pursuant to the SA Process in the event the LOI Transaction is unsuccessful;
- (n) the enhancement of the Monitor's powers is in the best interest of the Companies' stakeholders, allows for the Companies to focus on closing the LOI Transaction and ensures that the SA Process can be completed on a timely basis in the event the LOI Transaction is not completed as provided for in the SA Process Order; and
- (o) Further and other grounds as counsel may advise and this Honourable Court may permit.

- 3. The Applicant intends to rely on the following materials:
