Conway J. Endorsement

This scheduling appointment proceeded before me today by Zoom. Counsel wish to schedule a distribution motion following completion of the claims process.

Ms. Williams advised that given how complicated the claims process is (there are over 30,000 owners involved), preparing for the distribution motion will take some time, and counsel will not be ready until towards the end of June. I am available to hear the motion but not until August. I have scheduled the motion for **90 minutes on August 23, 2022 (starting at 10 a.m., confirmed with the CL office).**

I would encourage counsel and stakeholders to work together over the months leading up to the distribution motion to address any issues they might have with respect to the proposed distribution.
