

## Dan Jennings, CA, CBV, CF Partner

### Expertise Summary

Dan Jennings is a Partner with BDO's Bedford office, where he advises small to medium-size entrepreneurs (SME) on various accounting, financial and business advisory matters. His diverse range of experience includes business valuations, mergers and acquisitions, determination of guideline income for family law purposes, and business loss quantification for litigation including expert reports and expert witness testimony.

Since 1998, Dan has been practicing in business valuation, mergers and acquisitions, and litigation support in a variety of industries across Atlantic Canada. He has presented on these topics to a wide range of accounting, banking and business groups in the region. In addition, he has been accepted as an expert witness in the Nova Scotia, New Brunswick and federal Tax courts.
