Dear Sertapak Customer:

In January of this year, I wrote to inform you that Sertapak Inc. had voluntarily filed for and was granted protection under the *Companies' Creditors Arrangement Act* ("CCAA") in the Ontario Superior Court of Justice ("**the Filing**").

Today, I am pleased to announce that our restructuring efforts have been successful and that Chalmers Group (www.chalmersgroup.com) has purchased Sertapak Inc. Moving forward we will be able to continue to satisfy your custom packaging needs as Sertapak Packaging Corporation. Please see the attached chart, which outlines Chalmers Group and where we fit in the new corporate family of companies.

The marriage between Sertapak and Chalmers is a good one and as a valued customer, you will benefit from the same synergies we are excited about:

- a parent company (Chalmers) with a solid balance sheet and 17 years of profitable operations
- a group of sister companies with complementary products, as well as additional manufacturing processes and component supply
- a renewed commitment to manufacturing excellence through the full adoption of a TPS-style production system
- a focus on funding product and design innovation

Sertapak will retain its key personnel and continue operations from the current facility in Woodstock, ensuring a seamless transition to a strengthened enterprise.

Thank you for your support and patience through our re-organization and we look forward to repaying your loyalty with a superior level of service.

To the future – together.

Sertapak Inc. Sold – 50⁺ jobs saved in Woodstock

WOODSTOCK, June 02. - Sertapak Inc. announced today that it has saved 50⁺ jobs after successfully restructuring the firm under CCAA protection. Sertapak Packaging Corporation, a new and wholly-owned subsidiary of Chalmers Group (www.chalmersgroup.com), will continue to operate from the company's Woodstock facility with existing staff and management.

Customers will see only improvements in their usual level of service, as the company benefits from Chalmers expertise in manufacturing and solid balance sheet.

“Sertapak is an excellent complement to our existing group, which includes operations in the transportation, medical equipment and material handling sectors, among others,” said Mrs. Balwinder Takhar, President & CEO of Chalmers Group. “We are committed to investing in Sertapak and through it, in this community.”

“I am delighted that Sertapak is keeping its doors open and that so many jobs have been saved here in Woodstock. Our people have always been the difference at Sertapak and this tremendous group of individuals, combined with Chalmers' strengths, will help take our company to the next level,” said Sertapak Packaging Corporation's President and CEO, Dave Nettleton.

About the Company

Sertapak Packaging Corporation is a wholly-owned subsidiary of Chalmers Group. Founded (as Sertapak Inc.) in 1982 as a wholesaler of heavy duty corrugated paper, the company has evolved into a major supplier of custom packaging solutions for a variety of industries. As Sertapak Packaging Corporation, the company now provides a complete range of offerings in-house consisting of design and prototyping; an ISTA certified testing centre and specialty manufacturing uniquely combining both steel rack fabrication and protective packaging.

Sertapak Packaging Corporation's products include heavy duty triple wall and laminated bulk corrugated containers, specialized hand held totes, protective dunnage, metal fabrication and powder coating. Service offerings include design and engineering, prototype building and testing, container maintenance/retrofitting, cross dock repackaging and container loading, and complete program management.
