Int Receivership Order granted, as signed by me. This is urgent, given the fact that the businesses have ceased operations and there are perishable foods & supplies on site. While the app has not been served, the Bank has alerted Mr Haase to today's attendance to seek an IR at 3pm and has received no response (Mr Haase attended today or a/o on his behalf). This appears consistent w/ the lack of communication or response from Mr H to the Bank's emails or other communications over the last ~~or~~ week or 10 days.

Given the very paled down order that will enable the IR to review, safeguard property & communicate w third parties in an effort to stabilize the situation, I consider it a

Convenient to make the order
DTG as signed by me.
