Based on the material filed and the submissions of counsel, I'm satisfied that a conflict exists between the respondents in respect of monies in the possession of the applicants ("Contested Funds") and that the applicants have no beneficial claim to the Contested Funds. Further, I consider it just and convenient to appoint BDO Canada Limited as a Receiver, without security, of the Contested Funds in order to determine respondent claims to the Contested Funds. The Receiver is entitled to its costs + counsel costs from the Contested Funds. The applicants are directed to pay the Contested Funds to the Receiver, forthwith. Applicants' costs, fixed at \$35,000, payable from the Contested Funds.
