IN THE MATTER OF THE *COMPANIES' CREDITORS  
ARRANGEMENT ACT*, R.S.C. 1985, c. c-36, AS AMENDED

AND IN THE MATTER OF A PROPOSED PLAN OF COMPROMISE OR  
ARRANGEMENT OF W.C. WOOD CORPORATION, LTD., W.C. WOOD  
CORPORATION, INC. AND W.C. WOOD HOLDINGS, INC.  
(together the "Applicants")

**ELEVENTH REPORT OF BDO DUNWOODY LIMITED  
IN ITS CAPACITY AS MONITOR AND RECEIVER**

Dated November 26, 2009

**INTRODUCTION**

1. By Order of this Honourable Court dated May 19, 2009 (the "Initial Order"), W.C. Wood Corporation Ltd., the Canadian operating company, and W.C. Wood Corporation, Inc., the United States operating company and parent of Wood Canada, ("Wood US") (together the "Companies"), obtained protection from their creditors under the *Companies' Creditors Arrangement Act*, (the "CCAA Proceedings").
2. On May 25, 2009, this Honourable Court issued an amendment to the Initial Order (the "Amended Initial Order") adding W.C. Wood Holdings, Inc., the parent of Wood US, to the CCAA Proceedings and approving a debtor in possession credit facility (the "DIP Facility") to be provided by the Applicants' current lenders (the "DIP Lenders") in order to finance the working capital requirements of the Companies.
3. On May 29, 2009, the Monitor filed petitions with the United States Bankruptcy Court (the "US Court") for each of the Applicants for the entry of an order recognizing the CCAA Proceedings as "foreign main proceedings," or in the alternative, "foreign non-main proceedings" pursuant to Chapter 15 of the United States Bankruptcy Code.
4. On June 18, 2009, the US Court entered an Order recognizing the CCAA Proceedings as foreign main proceedings, giving the Initial Order and the Amended Initial Order full force and effect in the US, including,
  - (i) approving of the DIP Facility; and

- (ii) extending the stay of proceedings against the Monitor, the Applicants and the Applicants' former, current or future officers and directors in the US.
- 5. By Order of this Honourable Court dated June 19, 2009, revisions to the DIP Facility were approved including a debtor in possession secured advance from Whirlpool Corporation to Wood US (the "Whirlpool DIP"), which is subordinate to the DIP Facility.
- 6. By Order dated July 28, 2009, this Honourable Court approved of a sale of the interest of Wood US of its Mexican Business (as defined in the Initial Order) and revisions to the DIP Facility.
- 7. By two Orders of this Honourable Court both dated August 28, 2009:
  - (a) the Initial Order was further amended to, among other things:
    - (i) halt the sale process of the Mexican Business;
    - (ii) increase the Monitor's powers to include, without limitation, the power to control the Companies' receipts and disbursements and deal with the sale of the Companies' assets;
    - (iii) create a fifth-ranking charge in favour of the Monitor; and
    - (iv) provide broader protection to the Companies' current and former officers and directors;
  - (b) the stay period was extended until September 30, 2009;
  - (c) the First Report of the Monitor dated May 24, 2009, the Second Report of the Monitor dated June 16, 2009, the Third Report of the Monitor dated July 22, 2009, the Fourth Report of the Monitor dated August 25, 2009, and the Monitor's activities set out therein, were approved; and
  - (d) the fees of the Monitor and its counsel through August 14, 2009 and August 15, 2009, respectively, were approved.
- 8. By Order of this Honourable Court dated September 28, 2009, the stay period was extended to October 30, 2009 so that the Companies could proceed with entering into an agreement of purchase and sale with one of the offerors involved in the Companies' Going Concern Sales Process, as defined in the sixth report of the Monitor dated September 25, 2009, which was to be completed no later than October 30, 2009.
- 9. By Order of this Honourable Court dated October 5, 2009, the sale and vesting of the Companies' Dehumidifier Business as described in the Seventh Report of the Monitor dated October 2, 2009 was approved.

10. By Order of this Honourable Court dated October 26, 2009 (the “October 26 Order”):
  - (a) the Applicants were authorized to enter into an asset purchase agreement with One Rock Capital Partners (the “One Rock APA”), without prejudice to the rights and remedies to the DIP Lenders and subject to the approval of the Monitor by October 28, 2009;
  - (b) the One Rock APA was to be firm, with no conditions and the deposit received by the Monitor by November 13, 2009;
  - (c) the Monitor was directed to solicit liquidation proposals by November 13, 2009;
  - (d) the parties were to attend before this Honourable Court on November 16, 2009, at which time subject to further order of this Honourable Court:
    - (i) if the One Rock APA was ready to close by November 27 without condition, a \$500,000 deposit was received and the One Rock APA is approved by the Monitor and provides for the payout in full of the DIP Lenders, it shall be approved; and
    - (ii) if the above conditions were not met, the Monitor shall be appointed as Receiver and seek approval of the liquidation proposal(s) at that time.
  - (e) If the liquidation proposal(s) are accepted because they offer greater value than the purchase price in the One Rock APA, and One Rock is ready and able to close, One Rock shall be entitled to a break fee of four percent (4%) of the purchase price in the One Rock APA.
11. As described in the Ninth Report of the Monitor dated November 4, 2009 (the “Ninth Report”), the Monitor had been contacted by Electrolux Major Appliances (“Electrolux”), the market leading North American manufacturer of freezers and a major competitor of the Companies regarding Electrolux’s interest in the Companies’ assets, and that due to confidentiality concerns expressed by the Companies, Electrolux had not been provided with certain financial and customer information that was provided to other participants during the Going Concern Sales Process. The Monitor was further advised that should the Going Concern Sales Process not succeed, Electrolux would be interested in participating in a liquidation sale of the assets, and that Electrolux had a particular interest in the intellectual property of the Companies.
12. Electrolux had contacted the Monitor to arrange for access to the Companies’ facilities to inspect their equipment and inventory. The Monitor was aware of

- concerns expressed by the Companies, One Rock, and Whirlpool, a customer, supplier and licensor of the Companies' products, that Electrolux should not be given access to the Companies' facilities due to confidentiality concerns and the impact to the going concern offer with One Rock.
13. The Monitor was unable to broker a compromise position among the parties and on November 5, 2009 sought advice and directions from this Honourable Court. An order was issued on November 9, 2009 (the "November 9 Order"), which prevented Electrolux from inspecting the assets unless One Rock failed to make the One Rock APA firm by November 13, 2009.
  14. As described in the Tenth Report of the Monitor dated November 13, 2009 (the "Tenth Report"), One Rock failed to waive all conditions and failed to provide a deposit by noon on November 13, 2009. By order of this Honourable Court dated November 16, 2009 (the "November 16 Order"), BDO Dunwoody Limited was appointed as Receiver (the "Receiver") of all of the assets, undertaking and properties (the "Property") of the Applicants.
  15. The purpose of this Report is to provide this Honourable Court with information in respect of the:
    - (a) initial activities of the Receiver; and
    - (b) status of liquidation proposals.

#### **INITIAL RECEIVERSHIP ACTIVITIES**

16. Immediately following its appointment, the Receiver attended at the Companies' offices located in Guelph, Ontario, and Ottawa, Ohio.
17. On behalf of the Applicants, the Receiver terminated all employees except for a few key personnel to assist the Receiver with accounting, administrative and payroll duties, collection of accounts receivable, and maintenance of the Companies' facilities and equipment. At the date of this Report, Records of employment are being prepared and will be provided to Service Canada for all terminated employees.
18. Local locksmiths were contracted to change the locks and keys were provided to specific personnel, where necessary. Key suppliers, such as utilities, the Companies' insurer and security services were contacted to facilitate the safeguarding of assets.
19. The Receiver instructed the Companies' bankers to freeze the local bank accounts and arrangements were made to transfer existing funds to new trust accounts in the Receiver's name. Arrangements with the Companies' existing lockbox accounts were kept in place.

20. On November 25, 2008, the Receiver prepared the Notice and Statement of the Receiver ("Receivership Notice"), prescribed by sections 245(1) and 246(1) of the *Bankruptcy and Insolvency Act* (Canada), which will be sent by regular mail to all of the Companies' creditors of record. A copy of the Receivership Notice is attached hereto as Exhibit "A".

## **LIQUIDATION SALES PROCESS**

21. As described in the Ninth Report, pursuant with the October 26 Order the Monitor commenced the Liquidation Sales Process.
22. The Monitor's Information Package invited liquidation proposals to purchase the assets of the Companies, with a deadline for receipt of liquidation proposals by noon Toronto time on November 11, 2009. Six liquidation proposals were received.
23. Pursuant with the November 16 Order, the deadline for submission of liquidation proposals was extended to noon on November 23, 2009, and the Receiver was to seek approval of a transaction(s) for a sale of all or substantially all of the Property from this Honourable Court no later than November 27, 2009.
24. The Receiver notified all of the parties who had submitted proposals that the deadline had been extended to noon on November 23, 2009. Pursuant with the November 9, 2009 Order, Electrolux was given access to the Companies' facilities to inspect the Property.
25. On November 23, 2009, the Receiver received a number of proposals for the sale of the Companies' Property.
26. The Receiver is currently reviewing the proposals and negotiating the terms of sale with the highest offeror(s). The Receiver anticipates entering into an agreement(s) to sell the Companies' Property which will be subject to the approval of this Honourable Court within the next two weeks.
