NOTICE OF MOTION

BDO Canada Limited, in its capacity as Court-appointed receiver (the "**Receiver**") over 21 Vanguard trailers (the "**Vanguard Trailers**") leased to 10047277 Manitoba Ltd. ("**7277**") and Longview Logistics Ltd. ("**Longview**" and together with 7277, the "**Debtors**"), acquired for or used in relation to the business carried on by the Debtors, will make a motion before the Honourable Madam Justice Grammond on Monday, the 9th day of November, 2026 at 9:00 a.m. or as soon after that time as the motion can be heard, at the Law Courts Building, 408 York Avenue, Winnipeg, Manitoba.

THE MOTION IS FOR an order pursuant to the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended (the "**BIA**"), and the inherent jurisdiction of this Honourable Court,

1. substantially in the form attached hereto and marked as **Schedule "1":**

    a. Validating or otherwise abridging the time for service of this Notice of Motion and the materials related thereto such that this motion is properly returnable on the stated hearing date and dispensing with further service thereof;

    b. Approving the Settlement Agreement (the "**Settlement Agreement**") between the Applicant, National Bank of Canada ("**NBC**") and the Debtors, and appended to the Confidential Supplement to the First Report of the Receiver dated October 29, 2026 (the "**Confidential Supplement**");

    c. Approving payment of the Proposed Distribution, as defined herein, including the Receiver's Holdback, as defined herein;

    d. Sealing the Confidential Supplement;

    e. Approving the First Report of the Receiver dated October 29, 2026 (the "**First Report**"), the Confidential Supplement, and the activities and conduct of the Receiver and its legal counsel as described therein, including the Receiver's Statement of Receipts and Disbursements and the professional fees and disbursements of the Receiver and its legal counsel, without the necessity of a formal passing of accounts;

f. Providing for the discharge of the Receiver following the Proposed Distribution and the completion of any further administrative tasks, upon the filing of a form of Receiver's Discharge Certificate (as set out in the form of Order) provided however, that notwithstanding its discharge the Receiver shall continue to have the benefit of the provisions of all Orders made in these proceedings, including all approvals, protections and stays of proceedings in favour of BDO Canada Limited in its capacity as Receiver;

g. Releasing and discharging the Receiver from any and all liability that the Receiver now has or may have hereafter by reason of, or in any way arising out of, the acts and/or omissions of the Receiver while acting in its capacity as Receiver herein, save and except for any gross negligence or wilful misconduct on the Receiver's part; and

h. Providing that no action or other proceeding shall be commenced against the Receiver, including its officers, directors, employees, solicitors and agents and assigns in any way arising from or related to its capacity or conduct as Receiver, except with prior leave of this Court on notice to the Receiver, and upon such terms as this Court may direct; and

2. such further and other relief as the circumstances of this proceeding may require and as this Honourable Court deems just.

THE GROUNDS FOR THE MOTION ARE:

1. King's Bench Rules 16.04 (1) and 16.08 (1) with respect to service.

2. Pursuant to an Order of the Honourable Madam Justice Grammond pronounced in these proceedings on October 8, 2025 (the "**Receivership Order**"), BDO Canada Limited was appointed Receiver of the Vanguard Trailers, and was authorized by the Receivership Order to, among other things, locate, secure, and realize on the Vanguard Trailers.

3. As more particularly set out in the Receiver's First Report, the activities and efforts of the Receiver have included efforts to locate the Vanguard Trailers, and to participate in negotiations between NBC and the Debtors. The Debtors have otherwise been carrying on their business which, other than the Vanguard Trailers, is outside of the scope of the Receivership Order or the Receiver's mandate and powers thereunder.

4. The Receiver's efforts have contributed to a negotiated settlement between NBC and the Debtors (the "**Settlement Agreement**"), whereby the Debtors have made a payment to the Receiver (the "**Settlement Funds**"), as more specifically described in the Confidential Supplement, premised on the following:

a. The Receiver obtain a court order for approval of the Settlement Agreement, the distribution of the Settlement Funds, and the discharge of the Receiver (the "**Distribution and Discharge Order**" being the order sought herein);

b. Subject to the Court granting the Distribution and Discharge Order:

i. NBC shall discharge all security registrations against the Debtors and any individual guarantors;

ii. NBC shall file a Notice of Discontinuance of the Statement of Claim issued against the Debtors and others under Court of King's Bench File No. CI24-01-48005, on a without costs, with prejudice basis; and

iii. NBC on the one hand and the Debtors on the other shall exchange full and final releases in a form acceptable to the parties.

5. The Debtors have delivered the Settlement Funds in trust to the Receiver's counsel, Fillmore Riley LLP, and the parties are otherwise prepared to complete the terms of the Settlement Agreement, subject to issuance of the Distribution and Discharge Order sought herein.

6. In addition to the reasons set forth in the First Report, the Receiver recommends the Settlement Agreement be approved for the following reasons:

   a. The Settlement Agreement is fair and reasonable;

   b. The Settlement Agreement is in the best interests of the Debtors and the stakeholders in this matter;

   c. Efforts have been made to obtain the best value for the Vanguard Trailers and the Receiver has not acted improvidently;

   d. There has been no unfairness in the working out of the Settlement Agreement, which will result in a realization and distribution greater than the estimated liquidation value of the Vanguard Trailers and in a timely and certain manner;

e. NBC, the only holder of a specific security interest in the Vanguard Trailers, supports the Settlement Agreement;

7. Court approval of the Settlement Agreement is a condition of same.

Distribution and Receiver's Holdback

8. The proposed distributions and payments reflect the priority of claims against the Vanguard Trailers as set out in the First Report and will otherwise release the balance of the Debtors' indebtedness to NBC and NBC's interest in the Vanguard Trailers.

9. The Receiver obtained an independent legal opinion from Fillmore Riley LLP as to the validity and enforceability of NBC's security against the Vanguard Trailers, confirming NBC's first-priority interest and that it is the owner of the leased Vanguard Trailers.

10. The Vanguard Trailers are owned by NBC and the Debtors continue to operate, and the Receiver is not aware of and has received no notice of any priority claim to the Vanguard Trailers or their proceeds, and this motion is on notice to the relevant taxation authorities. The distributions are intended to be full and final, and distributed free of any claim that other creditors of the Debtors may have against them or their property, and further premised on the fact that the Debtors will continue to operate and meet obligations related to the balance of their operations as they continue to come due.

11. The Receiver's Holdback, comprising amounts necessary to pay the Receiver's Borrowings Charge, the invoiced and estimated fees and disbursements of the Receiver and its legal counsel, and 50% of NBC's legal fees, all as agreed to between NBC and the Debtors, is reasonable and necessary to allow the Receiver to complete the

administration of the receivership proceedings, and is also supported by NBC and the Debtors as part of the Settlement Agreement.

Sealing Order

12. The Confidential Supplement contains information and communications that are presently subject to settlement privilege, and a sealing order is necessary as there is a real and substantial risk of harm to the interests of stakeholders in this proceeding in the event such sensitive information is disclosed in advance of the completion of the Settlement Agreement. The requested sealing order is necessary to prevent the said risk and there are no reasonable alternative measures available to prevent this risk – as much information as possible about the terms of the Settlement Agreement has been included in the First Report, and the requested sealing order will only be temporary. The benefits of granting the requested sealing order outweigh any negative effects and upholds the substantial public interest in fostering settlement in litigation.

Receiver's Reports and Activities

13. An Order approving the activities of the Receiver to date, inclusive of the Receiver's Statement of Receipts and Disbursements as outlined in the First Report and the Confidential Supplement is necessary, appropriate and in accordance with the standard practice of the Court in Court-supervised receivership proceedings.

Accounts of Receiver and Counsel

14. Paragraph 16 of the Receivership Order provides that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements. Paragraph 17 of

the Receivership Order provides that the Receiver and its legal counsel shall pass their accounts from time to time. The fees of the Receiver and its counsel are in each case reasonable and in each case at the standard rates and charges.

Discharge

15. As set out in the First Report, subject to confirming performance of the Settlement Agreement and the payment of the proposed distributions, as well as any incidental tasks that may be required in connection with concluding these proceedings, the administration of these receivership proceedings is substantially complete, and it is therefore appropriate for the Receiver to apply for its discharge.

16. The Court of King's Bench Act, C.C.S.M. c. C280, ss. 55 and 77(1).

17. The Court of King's Bench Rules, Man. Reg. 553/88, as amended, Rules 2.03, 3.02, 16 and 37.

18. Such further grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be relied upon at the hearing of this application:

1. The Receivership Order;

2. The First Report;

3. The Confidential Supplement; and

4. Such further and other evidence as counsel may advise and this Honourable Court may permit.
