## I. INTRODUCTION AND BACKGROUND

1. On February 27, 2026, on the application of the Plaintiff, Royal Bank of Canada (“**RBC**”), the Supreme Court of British Columbia (this “**Court**”) pronounced an Order (the “**Receivership Order**”) appointing BDO Canada Limited, as receiver and manager (in such capacity, the “**Receiver**”), without security, of all the assets, undertakings and property of Westcoast Appliance Centre 2014 Ltd. (“**Westcoast**”) and Capital Iron (2022) Ltd. (“**Capital Iron**”, along with Westcoast, collectively the “**Companies**”). Pursuant to paragraph 38 of the Receivership Order, the Court directed a comeback hearing in this matter for March 13, 2026.
2. Westcoast Appliance Centre 2014 Ltd. was incorporated on November 3, 2024, and Capital Iron (2022) Ltd. was incorporated on November 22, 2022. The Companies operated a home appliance and furniture retail business in Victoria, British Columbia, from leased premises located at 3090 Nanaimo Street (the “**Westcoast Premises**”) and 1900/1908 Store Street (the “**Capital Iron Premises**”, and collectively with the Westcoast Premises, the “**Companies’ Premises**”). The principal of the Companies is Fred Aram (the “**Principal**”).
3. Due to working capital deficiencies, the Companies ceased operations on February 20, 2026 (the “**Closing Date**”). The primary secured creditors are Royal Bank of Canada (“**RBC**”), Cantrex Nationwide Group Inc. (“**Cantrex**”), and Wells Fargo Capital Finance Corporation Canada (“**Wells Fargo**”). Cantrex and Wells Fargo assert priority security interests over certain inventory pursuant to purchase-money security interests (“**PMSI**”), while RBC holds a general security interest over all present and after-acquired personal property.
4. As previously reported in the First Report of the Receiver, the Receiver has encountered significant challenges in identifying inventory and determining creditor priorities due to the volume of inventory, lack of available books and

records, and the initial refusal of the Companies' IT provider, Resilient IT Services Inc., to provide access to electronic records. In addition, there are numerous customer deposits relating to undelivered goods, and it is currently unclear whether such goods are located at the Companies' Premises.

5. On March 13, 2026, on application of the Receiver, the Court pronounced an Order (the "**Comeback Order**"),
  - a) granting an increase in borrowing powers from \$150,000 to \$380,000; and,
  - b) compelling the compliance of Resilient IT under the Receivership Order.

## II. PURPOSE OF THIS REPORT

6. This is the second report of the Receiver (the "**Second Report**" or the "**Report**"). This Report should be read in conjunction with the First Report of the Receiver dated March 11, 2026 (the "**First Report**").
7. The purpose of this Second Report is to:
  - a) provide this Court with:
    - i. an update on the activities of the Receiver since the date of the First Report;
    - ii. information regarding the identification of inventory; and,
    - iii. an update on the customer deposits.
  - b) seek the following relief from the Court:
    - i. approval of an Auction Services Agreement with Able Solutions Inc. ("**Able Auctions**") to auction the Companies inventory; and,
    - ii. approving the Receiver's activities set out in this Report.

### **III. SCOPE AND TERMS OF REFERENCE**

8. In preparing this Report and in making the recommendations contained herein, the Receiver has relied upon information obtained from discussions with the Principal; discussions, documents, schedules and information from RBC, Cantrex, and Wells Fargo; documents and information from former employees of the Companies; and, where available and appropriate, the Companies' books and records.
9. The Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of such information and, accordingly, the Receiver expresses no opinion or other assurance in respect of such information as reflected in this Report.
10. Capitalized terms used herein and not defined in the Second Report shall have the meaning ascribed to them in the First Report.
11. All references to dollars are in Canadian currency unless otherwise noted.

### **IV. THE ACTIVITIES OF THE RECEIVER**

12. Since the Receiver's First Report to Court, the Receiver's activities have included:
  - a) attending the Companies' Premises and ensuring that the inventory is identified by lender, as described below;
  - b) administering claims under the Wage Earner Protection Program ("WEPP") for former employees;
  - c) working with Cantrex, Wells Fargo, and RBC to identify assets subject to their respective security interests and assess priority among secured creditors;

- d) facilitating the seizure for eventual realization of inventory items from the Westcoast Premises by Cantrex and Wells Fargo subject to conditions to ensure compliance with any orders made regarding determination of priority claims to any proceeds;
- e) disclaiming the lease and ceasing occupation costs in relation to the Westcoast Premises;
- f) engaging in discussions with prospective parties in acquiring the Companies' assets;
- g) liaising with the third-party IT provider, Resilient IT, to obtain access to the Companies' cloud-based records;
- h) reviewing the Companies' books and records, which the Receiver is still in the process of gathering;
- i) corresponding with customers regarding partially or fully paid orders that may be located at the Companies' Premises;
- j) evaluating the benefit of bankrupting one or both of the Companies; and,
- k) preparing this Second Report to Court.

## V. INVENTORY

13. On or about March 5, 2026, Wells Fargo attended at the Companies' Premises under the supervision of the Receiver and conducted an inventory count of all assets subject to its priority PMSI. On March 17, 2026, Wells Fargo provided the Receiver with a listing (the "**Wells Fargo Listing**"), attached hereto as **Appendix A**, identifying the inventory onsite subject to its priority PMSI.
14. Wells Fargo did not label or otherwise identify the inventory on site subject to its priority PMSI. In reference to the Wells Fargo Listing, the Receiver has

labelled all of the inventory on site that it could identify which is subject to Wells Fargo's priority PMSI.

15. On or about March 10, 2026, Cantrex attended at the Companies' Premises under the supervision of the Receiver and conducted an inventory count of all assets subject to its priority PMSI. On March 20, 2026, Cantrex provided the Receiver with a listing (the "**Cantrex Listing**"), attached hereto as **Appendix B**, identifying the inventory onsite subject to its priority PMSI claim.
16. Cantrex marked its inventory with a pink "CANTREX" sticker for identification purposes.

## **VI. REALIZATION OF ASSETS**

17. As detailed above, between February 27 and March 23, 2026 the Receiver coordinated with Cantrex and Wells Fargo for their seizure for eventual realization of inventory items subject to their respective priority PMSIs from the Westcoast Premises. Such seizures were subject to each of Cantrex and Wells Fargo agreeing to provide a full accounting of each inventory item they realize upon and that they will each comply with any future Order the Court regarding priorities and/or payments of any valid buyer's lien claims. Able Auctions has removed all other inventory units at the Westcoast Premises and is storing such units at its Vancouver location pending the auction pursuant to the Auction Services Agreement. Once Cantrex, Wells Fargo and Able Auctions had removed all of the inventory units from the Westcoast Premises, the Receiver was able to disclaim the lease for the Westcoast Premises and cease further occupation costs.
18. Cantrex and Wells Fargo have each independently engaged Able Auctions to auction all or a portion of the inventory subject to their priority PMSIs at the Capital Iron Premises. The Receiver is not party to such agreements. Cantrex and Wells Fargo have agreed to abide by any future Order of the Court as it pertains to the sales proceeds and will provide the Receiver with

a detailed accounting of every inventory item that was in the Capital Iron Premises and Westcoast Premises as at the date of receivership. Nonetheless, the Receiver understands that RBC is concerned that it has funded the entirety of the receivership costs to date and that all sales proceeds for the inventory realized by Cantrex and Wells Fargo will not flow through the Receiver. The Receiver understands that the costs of the receivership should be allocated on a pro-rata basis based on the gross recovery from the inventory for each respective secured creditor, in accordance with the terms of the Receivership Order.

19. The Receiver is currently incurring occupation rent in respect of the Capital Iron Premises which carries significant costs and the Receiver considers it prudent to vacate these premises as soon as practicable in order to minimize ongoing expenses. The occupation rent for the Capital Iron Premises is necessary so long as inventory and other assets subject to the priority security interests of Cantrex, Wells Fargo and RBC remain at the Capital Iron Premises.
20. Able Auctions, a reputable auctioneer in the Greater Vancouver Area, has submitted a proposal to the Receiver for the liquidation of the Companies' inventory over which RBC holds a priority security interest. The Receiver has engaged Able Auctions to auction the assets subject to RBC's priority security interest. Attached hereto as **Appendix C** is a copy of the auction services agreement (the "**Auction Services Agreement**").
21. The Receiver understands Able Auctions has entered into separate agreements with Cantrex and Wells Fargo for the liquidation of certain inventory that is subject to their respective priority PMSIs, as detailed in the attached appendices A and B.
22. Able Auctions has indicated the intention is to hold the auction from April 10 – 12, 2026 to ensure a timely removal of all assets from the Capital Iron Premises by the end of April 2026.

23. Able Auctions has agreed to charge a flat commission of 10% on all items sold at auction. In the interest of time and in light of the ongoing occupation rent costs, Able Auctions has commenced preparations for the auction and logistical planning at the Capital Iron Premises.
24. The Receiver also held discussions with a retail appliance company that is seeking to enter the Victoria market. An offer was provided to the Receiver for a selection of inventory subject to RBC's priority security. However, upon review of the offer, the consideration provided, and the estimated value of assets subject to RBC's priority security, the Receiver does not believe the offer to be competitive as at the date of this Second Report.
25. Moreover, the Receiver is of the view that an auction is the best method to liquidate the inventory in a timely and efficient manner as it allows for the inventory to be marketed for sale to the general public.
26. The Receiver requests the Court's approval of the Auction Services Agreement dated March 28, 2026.

### **Customer Deposits**

27. In its First Report, the Receiver identified customer deposits relating to partially or fully paid orders as a significant concern, as it is likely that certain of these deposits relate to inventory subject to the security interests of Cantrex, Wells Fargo, or RBC.
28. The Receiver has continued to receive inquiries from customers regarding the status of their orders and requests for the release of goods for which payment has been made. At this time, the Receiver does not consider it reasonable or practicable to implement a process for the release of partially or fully paid goods, except in certain cases, for the following reasons:

- a) the Receiver does not have a complete or reliable listing of customer orders, whether partially paid, fully paid, or unpaid, nor confirmation as to whether such goods are located at the Companies' Premises;
  - b) although the Receiver is working with a former employee to compile a customer order listing, the Receiver understands there are in excess of 500 customer orders and, even if a complete listing were available, coordinating the identification, segregation, and pickup of goods would likely span several months;
  - c) customer orders were not assigned to specific serial-numbered inventory until the day before delivery and, accordingly, no specific goods can presently be attributed to individual customers. The exception to this are inventory units scheduled for delivery the day following the Closing Day, and this remains to be identified by the Receiver to the extent possible due to limited books and records available;
  - d) there is a risk that multiple customers may assert claims in respect of the same inventory;
  - e) the Receiver does not have visibility on the name of the customers who may have initiated chargebacks through their credit card providers, creating a risk of duplicate recovery where customers receive both refunds and seek possession of goods; and,
  - f) it is not economically feasible for the Receiver to maintain operations at the Capital Iron Premises for an extended period of time given ongoing occupation rent costs of approximately \$4,000 per day.
29. As noted in the First Report, customers with partially or fully paid goods may potentially have a buyer's lien claim under Part 9 of the *Sale of Goods Act* against the proceeds of the inventory subject to meeting certain criteria, as detailed in the First Report. A formal claims process to determine the validity and quantum of such claims, and to facilitate distributions to any valid

lienholders, is anticipated to be conducted in either these proceedings or in any bankruptcy proceedings for the Companies and will be subject to a further claims process order.

*Serial Inventory*

30. The Receiver has identified nineteen (19) items that relate to customer orders where a serial numbered inventory item ("**Serial Inventory**") has been assigned to a specific customer order. Management of the Companies informed the Receiver that serial numbers are assigned to a specific customer order the day prior to delivery. The Receiver has identified these customer orders as falling into one of three (3) categories:
  - a) Three (3) items have been identified as being on site by either Cantrex or the Receiver.
  - b) Eight (8) items have been identified by matching the SKU # on the Cantrex list to the customer invoice, however the Cantrex listing does not contain a serial number, or the serial number on the Cantrex listing differs from the invoice. If the Receiver can identify the physical item, it will attempt to verify if the serial number on the invoice matches the serial number on the unit.
  - c) Eight (8) items have not been identified. It is possible these items were already delivered prior to receivership. Able Auctions will attempt to locate these items during the course of cataloguing all of the inventory.
31. All of these items have already been paid for in full. Subject to a chargeback through the credit card processors not already being initiated, the Receiver will attempt to coordinate the release of these items to respective customers.
32. The Receiver proposes the following course of action in order to address the Serial Inventory claims:

- a) Confirm if a chargeback through the credit card merchant has already been initiated. If this has already occurred, the Receiver will not release the product to the customer.
  - b) If no chargeback has been initiated, the Receiver will request Able Auctions to identify the items and set them aside onsite for the customer to make arrangements to pickup the items prior to the auction, which will be held commencing April 10, 2026.
33. As the auction will be held beginning April 10, 2026, the Receiver commenced the above process on March 30, 2026.
34. Since March 30, 2026 when the Receiver began reaching out to Serial Inventory customers, the Receiver has determined the following:
- a) Six (6) items where customers have had their credit card charges reversed;
  - b) One (1) item where the customer had already picked up their item;
  - c) Five (5) items where customers have initiated a chargeback through their credit card, but have not received confirmation that the chargeback has been approved;
  - d) Three (3) items where customers have not made a chargeback or have had their chargeback request denied due to the amount of time elapsed since the payment or due to paying by debit card; and,
  - e) Four (4) items where the customer has not responded to the Receiver's voicemail and email.
35. The Receiver is aware of a \$121,000 PST liability in Westcoast, which would be reversed by a bankruptcy. The Receiver intends to bankrupt both companies shortly.

## **VII. CONCLUSION AND RECOMMENDATIONS**

### **Conclusion**

36. The Principal remains uncooperative to date and has, through miscommunications with vendors, customers, and employees prior to the issuance of the Receivership Order, created additional challenges for the administration of these proceedings.
37. Cantrex and Wells Fargo have identified the inventory that is subject to their respective priority PMSI claims.
38. The Receiver seeks approval of the Auction Services Agreement with Able Auctions to realize upon inventory and other assets in the most efficient manner.
39. Occupation rent for the Capital Iron Premises is approximately \$4,000 per day, representing a significant ongoing cost to the receivership. Accordingly, it is imperative that the premises be vacated as soon as practicable. Additional funding will be required in the event the Receiver is unable to vacate the Capital Iron Premises by the end of April 2026.

### **Recommendations**

40. Based on the foregoing, the Receiver respectfully recommends that this Honourable Court grant an Order providing for the following relief:
  - a) approving the Auction Services Agreement with Able Auctions; and,
  - b) approving the activities of the Receiver as described in this Report.

All of which is respectfully submitted this 2<sup>nd</sup> day of April 2026.

OF THE FIRST PART

AND

**ABLE SOLUTIONS INC.**

(hereinafter referred to as the "**Auctioneer**")

OF THE SECOND PART

**WHEREAS:**

- A. Pursuant to an Order of the Supreme Court of British Columbia granted on February 27, 2026, the Receiver was appointed as receiver and manager of all the assets, undertakings, and properties of Westcoast Appliance Centre 2014 Ltd. and Capital Iron (2022) Ltd. (each a "**Company**") including the "**Assets**" listed in Schedule A hereto; and
- B. The Receiver wishes to retain the Auctioneer to sell the Assets, subject to the terms and conditions hereof, and the Auctioneer is willing to provide auction services to the Receiver, subject to the terms and conditions hereof;

**NOW THEREFORE THIS AGREEMENT WITNESS** that the Receiver and the Auctioneer agree as follows:

### **1. RETENTION OF THE AUCTIONEER**

- 1.1 The Receiver hereby retains the Auctioneer to carry out, and the Auctioneer hereby agrees to carry out, a sales program and run a liquidation and auction with respect to the Assets on the terms and conditions set forth in this Agreement. The Auctioneer will determine the best way of selling the Assets with a view to maximizing the Receiver's realization on the Assets. For greater certainty, the term "Auction" used in this Agreement shall mean the sale of the Assets to be conducted by the Auctioneer on behalf of the Receiver, which may include an auction of the Assets conducted at the Premises (as defined below) or any combination of a private or public sale prior to or in place of an auction at the Premises (as defined below) or on the Internet.

- 1.2 The Auctioneer is acting only in its capacity as an independent contractor dealing with the Receiver and is otherwise not the Receiver's employee or assign, nor is it assuming the legal responsibilities, duties, or obligations of the Receiver or of a secured party. All sales of Assets shall be made by the Auctioneer as agent in fact for the Receiver. Title to the Assets shall remain with the applicable Company through to the completion of the Auction contemplated by this Agreement. The Auctioneer will not, and has no authority to, incur any liability or obligation on behalf of the Receiver, unless otherwise specifically authorized and approved by the Receiver.

## 2. BUYER'S PREMIUM

- 2.1 The Auctioneer shall track and manage all proceeds of the sale of each of the Assets (the "**Sale Proceeds**"), including, without limitation, maintaining a record of the Sale Proceeds per each Asset sold, including any applicable serial numbers and SKU numbers for each Asset sold.
- 2.2 For each dollar of Sale Proceeds, the Auctioneer shall be entitled to be paid a commission fee in the amount of ten (10%) per dollar (the "**Auctioneer's Fee**").
- 2.3 The Auctioneer shall be entitled to charge and retain for its own account a reasonable and customary buyer's premium (the "**Buyer's Premium**") on all purchased Assets, which Buyer's Premium shall not exceed twenty (20%) percent. Any such Buyer's Premium shall not be considered Sale Proceeds. Upon the completion of the Auction, the Auctioneer shall pay all of the Sale Proceeds to the Receiver or as otherwise directed by the Receiver.
- 2.4 The Auctioneer shall be responsible for the payment of all direct and indirect costs and expenses incurred by the Auctioneer and/or the Auctioneer's agents or employees in connection with the exercise of its rights and obligations under this Agreement including, without limitation, the sale of the Assets and the conduct of the Auction, including, without limitation, all costs and expenses associated with the advertising and sale of the Assets, refurbishing and cleaning of the Assets, and set up and checkout at the Auction.
- 2.5 Notwithstanding section 2.3 of this Agreement, the Auctioneer will not be responsible for the following costs, claims, or liabilities, even if such are payable;
- (a) lease payments to third parties under any leases of the Assets;
  - (b) any pre-existing environmental costs;
  - (c) any payments to third parties or legal costs associated with dealing with liens against the Assets; and,
  - (d) any product warranties, conditions, or liabilities, including without limitation those set forth in the *International Sale of Goods Contracts Convention Act* (Canada).

## 3. THE AUCTION

- 3.1 The Receiver shall deliver to the Auctioneer a copy of all reasonably requested pertinent documents that are in the possession of the Receiver, if any, relating to the Assets, including, without limitation, any documents of title, operating manuals, warranties, and all documents respecting registrations to the extent they are in the Receiver's possession.
- 3.2 The Receiver shall provide, or make commercially reasonable efforts to provide, to the Auctioneer and its agents, employees and representatives, reasonable access to the Assets located at 1900 Store Street and 1908 Store Street, Victoria, BC V8T 4R4 (the "**Premises**") for the purpose of conducting an Auction until April 30, 2026, or such later date as agreed by the parties hereto (the "**General Deadline**"), for the purposes of showing the Assets to prospective purchasers, preparing for and conducting the Auction, completing all sales, removing the sold Assets upon their sale, and cleaning up the Premises to a reasonable neat and tidy condition for re-leasing. The Auctioneer shall not be responsible for the cost, applicable rent, or the supply of utilities to the Premises including, without limitation, gas, water, heat, and hydro, and for the maintenance of insurance coverage on the Premises and Assets.
- 3.3 The Auctioneer shall sell the Assets on an "as is, where is" and "all sales are final" basis to the highest bidder, without any representations of any kind or nature whatsoever, including as to merchantability or fitness, and without warranty or agreement as to the condition of such Assets. Neither the Receiver, nor the Auctioneer, have made nor shall make, vis-a-vis any third-party purchasers, any representations, conditions, or warranties, with respect to the Assets. For greater certainty, the Receiver and Auctioneer agree that there are no terms or conditions whatsoever, whether expressed, implied, statutory, or otherwise with respect to the Assets, or any of them, or any other matters whatsoever in any way related to the subject matter of this Agreement, other than as expressly provided for in this Agreement, The Receiver specifically acknowledges that the Auctioneer is acting solely in the capacity of Auctioneer for the Receiver and has no knowledge with respect to the fitness or usability of the Assets.

Any third-party costs or expenses incurred in connection with the storage of the Assets on the Premises shall not be the responsibility of the Auctioneer. The Auctioneer shall be responsible for the clean-up of the Premises upon the removal of the Assets from the Premises unless any costs of clean-up are required to be incurred because of pre-existing conditions revealed by the removal of the Assets from the Premises. The Auctioneer shall assist the Receiver with the removal and disposal of any toxic or hazardous waste, or environmental pollutants found on or about the Assets or the Premises at the expense of the Receiver.
