ENDORSEMENT OF \_\_\_\_\_ JUSTICE CONWAY \_\_\_\_\_ :

[1] This was a case conference to try to resolve the issues as between the Receiver, on the one hand, and each of Himalya and 2290605, on the other hand.

[2] Considerable progress was made today. Counsel are going to keep working on it. If they reach a settlement, no further court attendance is required.

[3] If they cannot reach a settlement, they will have to return to a scheduling appointment before me (to be arranged through the CL office) to set a date for the motions to set aside the default judgment.

[4] As I told counsel, I am hopeful that this can be avoided and that the additional time and expense in litigating over these amounts will not be necessary in light of the positive discussions held today.

Conway J.
