**AFFIDAVIT OF:** ZULFIKAR BOGA

**SWORN ON:** **October 21, 2024**

I, Zulfikar Boga, of the City of Calgary, Province of Alberta, **SWEAR AND SAY THAT:**

1. I am a Defendant in this Action, and am the principal and sole director of Sunridge Landing Inc. ("**Sunridge Landing**"). As such I have personal knowledge of the matters and facts described in this Affidavit, except where stated to be based on information and/or belief, in which case, I believe the information and/or belief to be true.

2. Sunridge Landing is the owner of lands municipally described as 3385 and 3396 26<sup>th</sup> Avenue NE, Calgary, Alberta, and legally described as PLAN CALGARY 8110296, THE MOST EASTERLY FIFTY TWO AND TWO HUNDRED AND SIXTY SIX THOUSANDTHS (52.266) METRES IN PERPENDICULAR WIDTH THROUGH BLOCK THREE (3), CONTAINING 0.422 HECTARES MORE OR LESS, EXCEPTING THEREOUT ALL MINES AND MINERALS (the "**Lands**"). The Lands are commercial property containing two large commercial buildings.

3. I am an architect by qualification and have decades of experience building and developing commercial real estate in Canada and around the world. I have previously been registered as an

architect in every province of Canada. Because of my background I have many friends and connections, both here in Canada and around the world, that are involved in commercial real estate.

4. Over the last several months, I have been working as hard as I can to lease and refinance the Lands. When these proceedings were initiated, Sunridge Landing had lost its largest tenant, and this made it difficult to obtain alternate financing for the Lands. However, Sunridge Landing recently obtained an Offer to Lease from a large tenant. Since that time lender interest has increased. I have also received two additional Offers to Lease today.

5. Today, October 21, 2024, Sunridge Landing received a Term Sheet from Bankers Mortgage Corporation, which does business as Domain Funding ("**Domain Funding**"), for a loan of up to \$6,900,000, with funding estimated to be made available in November 2024 (the "**Term Sheet**"). The is attached to my Affidavit and marked as **Exhibit "A"**.

6. The Term Sheet states, under the heading "Loan Approval" at the bottom of page 2, that Domain Funding "will require the following material all of which must be found to be acceptable to Domain Funding and the Lender". It then lists certain records and information. Sunridge Landing has provided the following information and documentation to Domain Funding in accordance with this part of the Term Sheet:

- (a) Certificate(s) of Title for the Secured Property;
- (b) Organizational Chart of the Borrowing Company(s) and any company providing a corporate covenant;
- (c) Financial Statements for the Borrowing Company(s) and any company providing a corporate covenant;
- (d) Current Personal Net Worth Statement(s) and Credit Bureau Report(s) of personal Covenantor(s);
- (e) Confirmation that the Borrower(s)/Covenantor(s) are in good standing with the [CRA] with respect to tax filings and remittances;
- (f) Most recent monthly Rent Roll including executed copies of all existing Leases, Renewals and/or Offers to Lease related to the Secured Property;
- (g) Confirmation of balance of all existing debt registered on the Secured Property;
- (h) Confirmation of source of Borrower's equity;
- (i) Building Conditions Report(s) and Letter(s) of Transmittal for the Secured Property from a Lender-approved engineering consultant;
- (j) Real Property Report for the Secured Property;

- (k) Confirmation that there are no outstanding work orders or bylaw infractions relating to the Secured Property; and
- (l) Appraisal Report(s) and Letter(s) of Transmittal from a Lender-approved appraisal firm demonstrating “as is” value of no less than
  - (i) \$9,200,000 for the Commercial Property.
  - (ii) \$4,000,000 for the Collateral Properties.

7. We have made arrangements for Dominion Funding to carry out its inspection of the Lands tomorrow and will provide the \$2,500 travel fee when that occurs. Sunridge Landing is also obtaining the required environmental reports and intends on providing them as soon as possible, and likely around November 10, 2024. Sunridge Landing has older environmental reports (which CWB has a copy of) but Domain Funding has requested more recent reports.

8. This means that, with the exception of the environmental reports listed at paragraph (p), which we are in the process of obtaining, the satisfactory inspection and provision of a \$2,500 “travel fee”, which will occur tomorrow, and any further or other information that Domain Funding/the Lender may request, Sunridge Landing has provided all required information and documentation.

9. I believe that Sunridge Landing will meet all of the requirements of the Term Sheet such that it will be able to obtain financing from Dominion Funding to cover the whole amount claimed by CWB, including interest and legal fees. I am working as hard as I can for this financing to be made available in November as set out in the Term Sheet but need more time to allow for due diligence and funding to occur.

SWORN BEFORE ME  
on this 21<sup>st</sup> day of October, 2024  
at the City of Calgary, Alberta.
