28. As soon as is practicable after a Notice of Dispute is received by the Monitor in accordance with this Claims Procedure Order, the Monitor may attempt to resolve and settle the Claim with the Claimant.
29. In the event that the Monitor is unable to resolve a dispute regarding a Notice of Dispute with the Claimant, the Claimant must file an Application to the Court for the resolution of the Claim for voting and distribution purposes. 32. If a Claimant, or any subsequent holder of a Claim, who has been acknowledged by the Monitor as the holder of such, transfers or assigns the whole of such Claim to more than one Person or part of such Claim to another Person, such transfers or assignments shall not create separate Claims and such Claims shall continue to constitute and be dealt with as a single Claim notwithstanding such transfers or assignments. The Monitor shall not, in each case, be required to recognize or acknowledge any such transfers or assignments and shall be entitled to give notices to and otherwise deal with such Claim only as a whole and then only to and with the Person last holding such Claim provided such Claimant may, by notice in writing delivered to the Monitor, direct that subsequent dealings in respect of such Claim, but only as a whole, shall be dealt with by a specified Person and in such event such Person shall be bound by any notices given or steps taken in respect of such Claim with such Claimant in accordance with the provisions of this Order.
33. The Monitor is not under any obligation to give notice to any Person other than a Claimant holding a Claim and shall have no obligation to give notice to any Person holding a security interest, lien or charge in, or a pledge or assignment by way of security in, a Claim as applicable in respect of any Claim.
