**NOTICE OF MOTION  
(returnable March 15, 2021)**

**BDO CANADA LIMITED** (“**BDO**”), in its capacity as the Court-appointed receiver (in such capacity, the “**Receiver**”), of the assets, undertakings and properties of 908593 Ontario Limited operating as Eagle Travel Plaza (“**908**” or “**Eagle Travel**”), 1393382 Ontario Limited, 2145754 Ontario Limited, 2123618 Ontario Limited, 1849722 Ontario Limited, 2469244 Ontario Limited, 2364507 Ontario Limited, and 2612550 Ontario Limited (collectively, the “**Debtors**”), will make a motion, *ex parte*, to a judge presiding over the Commercial List on March 15, 2021, at 11:00 a.m., or as soon after that time can be heard, by judicial teleconference via Zoom at Toronto, Ontario. Please refer to the conference details attached as Schedule “A” hereto in order to attend the motion and advise if you intend to join the motion by emailing [vfreire@airdberlis.com](mailto:vfreire@airdberlis.com).

**PROPOSED METHOD OF HEARING:** The motion is to be heard orally.

**THE MOTION IS FOR AN ORDER:**

- (a) Validating service of the Claims Package on the Defaulting Subject Customers (each as defined below), as described in the Tenth Report of the Receiver dated March 9, 2021 (the “**Tenth Report**”);
- (b) Granting default judgment in favour of 908, substantially in the form of the Order contained in the Motion Record (the “**Omnibus Default Judgment Order**”), as against each of the Defaulting Subject Customers listed at Schedule “A” to the Omnibus Default Judgment Order;
- (c) Directing the Registrar to issue separate judgments against each of the Defaulting Subject Customers, in the forms attached as Schedule “B” to the Omnibus Default Judgment Order; and
- (d) Such further and other relief as counsel may advise and this Court may permit.

## THE GROUNDS FOR THE MOTION ARE:

### OVERVIEW

- (a) On August 4, 2020, this Court issued an Order (the “**Collection Plan Order**”), approving a plan by which the Receiver was authorized to pursue claims against certain customers of 908, and their guarantors (collectively, the “**Subject Customers**”) in a just and cost-effective manner;
- (b) The Collection Plan Order contemplates that 908 will be entitled to default judgment against those Subject Customers who fail to respond to the Receiver’s Claim(s) served upon them in accordance with the Collection Plan Order;
- (c) The Subject Customers listed at “Schedule A” to the Omnibus Default Judgment Order failed to respond to the Receiver’s Claim(s) within the prescribed time for response. By way of this motion, the Receiver seeks default judgment against them in accordance with the terms of the Collection Plan Order;

### BACKGROUND

- (d) Pursuant to an Order of this Court dated September 30, 2019 (the “**Appointment Order**”), BDO was appointed as the Receiver of all of the assets, undertakings and properties of the Debtors acquired for or used in relation to a business carried on by the Debtors (the “**Property**”);

### THE EAGLE TRAVEL BUSINESS

- (e) Eagle Travel is a corporation incorporated pursuant to the laws of Ontario, with a head office in Tilbury, Ontario. Prior to its receivership, Eagle Travel carried on business as a fuel and fleet service provider to customers consisting of truck transportation companies and proprietorships of varying fleet sizes (the “**Fleet Card Customers**”);
- (f) As part of its business operations, Eagle Travel provided the Fleet Card Customers with “fleet cards” (essentially credit cards) that individual drivers could use to

purchase fuel and other items on credit at participating gas stations and truck stops throughout North America;

### **THE COLLECTION PLAN ORDER**

- (g) Following its appointment, the Receiver devoted significant efforts to attempting to collect amounts owing to Eagle Travel from Fleet Card Customers (the “**Fleet Card A/R**”), as detailed in the Eighth Report of the Receiver;
- (h) Eagle Travel and its creditors, which creditors include Canadian Imperial Bank of Commerce, have suffered significant losses in relation to the outstanding Fleet Card A/R;
- (i) Up to July 22, 2020, the Receiver had collected CAD\$3.7 million and US\$1.8 million through its collection efforts from Fleet Card Customers, leaving approximately \$21 million outstanding (before penalties, interest, and legal fees), reflecting Fleet Card A/R owing by over 600 Fleet Card Customers;
- (j) By way of the Collection Plan Order, this Court approved a plan for the Receiver to pursue its claims against the Subject Customers, for the purpose of allowing the Receiver to pursue the Fleet Card A/R in a just and cost-effective manner;
- (k) Pursuant to the Collection Plan Order, a Claims Officer was appointed to review and determine the Receiver’s claims for the outstanding Fleet Card A/R, subject to the supervision of this Court;
- (l) Following this Court’s issuance of the Collection Plan Order, the Receiver served the Collection Plan Order on the Subject Customers, followed by a claims package including the Receiver’s claim as against the applicable Subject Customer (the “**Receiver’s Claim**”), along with a notice for publication (the “**Notice to Subject Customers**”), an instruction letter, a blank form of Notice of Dispute and a settlement offer to the Subject Customers;
- (m) The Receiver also caused the Notice to Subject Customers to be published in *The Globe and Mail*, and the Collection Plan Order, Notice to Subject Customers,

instruction letter, and blank form of Notice of Dispute to be posted to the Receiver's website;

## **UNDEFENDED CLAIMS**

- (n) Section 41 of the Collection Plan Order provides that any Subject Customer who fails to conclude a settlement with the Receiver by the Acceptance of Settlement Deadline or submit a Notice of Dispute by the Notice of Dispute Deadline (as those terms are defined in the Collection Plan Order) (the “**Defaulting Subject Customers**”), shall be deemed to be in default;
- (o) Further, paragraph 42 of the Collection Plan Order provides that for any Receiver's Claim in respect of which the Receiver did not receive a Notice of Dispute by the Notice of Dispute Deadline, or payment of the Receiver's settlement offer by the Acceptance of Settlement Deadline (the “**Undefended Claims**”), the Defaulting Subject Customers shall be deemed to admit the truth of the allegations of fact made in the applicable Undefended Claim, including the amount(s) owing by them;
- (p) Following the passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver referred the Undefended Claims to the Claims Officer, in accordance with the Collection Plan Order;
- (q) In accordance with paragraphs 43 and 44 of the Collection Plan Order, the Claims Officer issued the First Report of the Claims Officer dated March 8, 2021 (the “**Default Judgment Report**”), indicating that he is satisfied that the Claims Packages were duly served on the Defaulting Subject Customers, and that 908 is entitled to default judgment against the Defaulting Subject Customers set out in Appendix “E” to the Default Judgment Report, in the amounts set out therein;
- (r) The Claims Officer has recommended that the Court grant an omnibus default judgment in favour of 908 against the Defaulting Subject Customers listed in Appendix “E” to the Default Judgment Report, in the respective amounts set out therein;

- (s) 908 is therefore entitled to an omnibus default judgment against the Defaulting Subject Customers in the amounts set out in the Default Judgment Report, pursuant to paragraph 45 of the Collection Plan Order, to be enforced by the Receiver; and
- (t) Such further and other grounds as counsel may advise, and this Court may permit.

2. **THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the motion:

- (a) The Tenth Report of the Receiver;
- (b) The Default Judgment Report; and
- (c) Such further and other material as counsel may submit, and this Court may permit.

## INTRODUCTION

---

### 1.1 Introduction

1.1.1 The Ontario Superior Court of Justice (Commercial List) (the “**Court**”) appointed BDO Canada Limited as the receiver (the “**Receiver**”), without security, of all the Property (as defined in the Appointment Order) of 908593 Ontario Limited (“**908**”) and certain of the other Defendants by order dated September 30, 2019 (as subsequently amended, the “**Appointment Order**”). Attached as **Appendix “A”** is a copy of the Appointment Order. As detailed below, certain of the Defendants are no longer subject to the Appointment Order. The parties listed in **Appendix “B”** are the parties in addition to 908 that are currently subject to the Appointment Order (collectively, the “**Debtors**”).

### 1.2 Purpose of this Report

1.2.1 This report is the Receiver’s tenth report to the Court (the “**Tenth Report**”). It is filed in respect of the Receiver’s motion for an omnibus default judgment (the “**Omnibus Default Judgment Order**”) in accordance with section 45 of the collection plan order dated August 4, 2020 (the “**Collection Plan Order**”). The draft Omnibus Default Judgment Order is included in the Receiver’s motion record. Attached as **Appendix “C”** is a copy of the Collection Plan Order.

1.2.2 The Collection Plan Order established a process (the “**Collection Plan**”) to identify and determine the Receiver’s claims against specific customers of 908 and their guarantors. When the Collection Plan Order was issued, the customers and guarantors subject to the Receiver’s Collection Plan collectively owed 908 approximately \$21 million in unpaid accounts receivable.

1.2.3 The Court appointed Edmond Lamek of DLA Piper LLP as the claims officer (the “**Claims Officer**”) under the Collection Plan Order. The Claims Officer has prepared a report dated March 8, 2021, setting out his recommendations as to the quantum of certain default judgments to be issued in respect of Undefended Claims (as defined in the Collection Plan Order) (the “**First Default Judgment Report**”). Attached as **Appendix “D”** is a copy of the First Default Judgment Report.

### 1.3 Reliance on Information, Interpretation and Publication of Materials

1.3.1 In preparing this Tenth Report, the Receiver has relied upon the Debtors’ books and records that the Receiver located, unaudited and draft financial information available, certain financial information obtained from third parties, and discussions with various individuals (collectively, the “**Information**”). The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of the Information.

- 1.3.2 This Tenth Report has been prepared for the use of this Court in respect of the above-noted relief. This Tenth Report should not be relied upon for any other purpose. The Receiver will not assume responsibility or liability for losses incurred due to the circulation, publication, reproduction or use of this Eighth Report contrary to the provisions of this paragraph.
- 1.3.3 All references to dollars are in Canadian currency unless otherwise noted.
- 1.3.4 In accordance with the Appointment Order, copies of unsealed materials and prescribed notices delivered or filed in the receivership proceedings are available on the Receiver's case website (the "Receiver's Website") at [www.extranets.bdo.ca/eagletravelplaza](http://www.extranets.bdo.ca/eagletravelplaza).

## 2.0

## COLLECTION PLAN

---

### 2.1 Fleet Card Business

- 2.1.1 As described in the third report of the Receiver dated October 18, 2019 (the “**Third Report**”), the Debtors’ fleet member reward card program (the “**Fleet Card Business**”) accounted for approximately 95% of the Debtors’ business. Before the receivership, the Fleet Card Business generated revenues of approximately \$1.1 million per day.
- 2.1.2 The Fleet Card Business is described in detail at paragraph 3.1.1 of the Third Report. Briefly, 908 provided customers (i.e., truck transportation companies and proprietorships of varying sizes) (the “**Fleet Card Customers**”) with “fleet cards” (essentially credit cards) that individual drivers could use to purchase fuel and other items on credit at participating gas stations and truck stops throughout North America. 908 was responsible for paying for the gas and other items purchased using the fleet cards, and for seeking payment from its customers. As of the Appointment Order’s date, 908 had approximately 1,300 active known customer accounts, and up to 1,800 customers in total (each with one or more trucks in their fleet). The program encompassed other elements and incentives made available to some customers, such as claiming cash advances and rebates.
- 2.1.3 As previously reported in the Third Report, the Receiver terminated active operations of the Fleet Card Business on October 11, 2019, for various reasons including, but not limited to, the lack of any centralized record-keeping and the Receiver’s concerns about the rapidly escalating risk of collection default, due to substantial returns from pre-authorized debit payments.
- 2.1.4 As a precondition to becoming eligible to purchase fuel and other items on credit, 908 required Fleet Card Customers to enter into a standard form card credit agreement (“**CCA**”). The CCA includes a grant of security interest by the Fleet Card Customers in favour of 908.
- 2.1.5 In addition, unless the Fleet Card Customer was an individual or sole proprietorship, 908 also required the principal of the Fleet Card Customer or some other person or entity to provide a guarantee for the payment of amounts owing to 908 pursuant to the applicable CCA (collectively, the “**Guarantors**” and each a “**Guarantor**”).
- 2.1.6 Although the Fleet Card Business lacked adequate records as described in the Third Report, the Receiver has accurate and reliable records of the amounts charged by Fleet Card Customers for fuel and other items purchased using the fleet cards during the period September 15, 2019 through to October 11, 2019. These records were generated automatically by the electronic systems maintained by two third-party operators, WEX Bank (doing business as T-Chek Systems, Inc.) and Comdata, Inc., are traceable to WEX Bank and Comdata’s systems, and support the amounts that the Receiver proposed to collect by way of the Receiver’s Collection Plan.
- 2.1.7 Since its appointment, and in light of the Fleet Card Business representing a significant portion of the Debtors’ overall business, the Receiver has devoted

considerable efforts to collect amounts owing to 908 from Fleet Card Customers (the “Fleet Card A/R”).

- 2.1.8 The Receiver reported on the Fleet Card Business and its efforts to collect the Fleet Card A/R in greater detail in the Third Report and in the eighth report of the Receiver dated July 21, 2020 (the “**Eighth Report**”). The Eighth Report (without appendices) is attached as Appendix “A” to the First Default Judgment Report.

## 2.2 Receiver’s Claims

- 2.2.1 Following the Court’s issuance of the Collection Plan Order, the Receiver served the Collection Plan Order on the Fleet Card Customers subject to the Receiver’s Collection Plan (the “**Subject Customers**”). Any Subject Customer who objected to the Collection Plan was entitled to return before the Court on August 26, 2020, to seek to vary or set aside the Collection Plan Order.
- 2.2.2 When the Court issued the Collection Plan Order, there were more than 600 Subject Customer accounts (and numerous associated guarantors) with total indebtedness (after rebates, but before ongoing interest) of approximately \$15.5 million.
- 2.2.3 The Receiver delivered a claim package including the Claim (defined below), a notice for publication (the “**Notice to Subject Customers**”), an instruction letter, a blank form of notice of dispute and a settlement offer to the Subject Customers. Dates and method of delivery to each Subject Customer are described in the affidavits of Angelo Consoli appended to the First Default Judgment Report (the “**Consoli Affidavits**”).
- 2.2.4 The Receiver also caused the Notice to Subject Customers to be published in The Globe and Mail, and the Notice to Subject Customers, the instruction letter, a blank form of notice of dispute, and the Collection Plan Order to be posted at the Receiver’s Website.
- 2.2.5 As the Receiver proceeded with its investigations, it became clear that 908’s records did not correctly record a significant number of Subject Customer legal names. The nature and extent of these deficiencies started to become apparent as Subject Customers provided documentation in response to the Claims (e.g., cancelled cheques, bank statements) and as legal counsel searched legal names so that the Receiver could register a security interest against certain Subject Customers under the *Personal Property Security Act*.
- 2.2.6 The Receiver served approximately 165 Subject Customers (with a collective indebtedness of approximately \$8 million) a second time using the correct legal names or other required information in late January and early February 2021.

**2.2.7** The Receiver’s claims (the “**Claims**”) constitute the Receiver’s request for payment of the outstanding indebtedness owing by each Subject Customer. Each Claim provides that the Receiver claims payment of the aggregate of:

- the gross amount of all known unpaid invoices issued in respect of all fuel and other items purchased by each Fleet Card Customer and its truck drivers for the period September 9, 2019, to October 13, 2019;
- interest calculated at a rate of 18% from November 1, 2019 (this date was chosen as being both administratively efficient and because it is fair as it favours Subject Customers) per the CCA;<sup>1</sup>
- where applicable, a 10% PAD dishonoured fee in accordance with the CCA, which applies where PAD request(s) were dishonoured by the applicable Subject Customer’s financial institution; and
- a fixed amount for the Receiver’s collection costs and legal fees associated with initiating the Receiver’s Collection Plan (collectively, the “**Claim Amount**”).

## **2.3 Undefended Claims**

**2.3.1** According to the Collection Plan Order, any Subject Customers that failed to submit either payment of the settlement amount by the Acceptance of Settlement Deadline or a Notice of Dispute by the Notice of Dispute Deadline (as those terms are defined in the Collection Plan Order), are deemed to be in default (the “**Defaulting Subject Customers**”).

**2.3.2** In addition, for any Receiver’s Claim in respect of which the Receiver did not receive a Notice of Dispute Deadline or payment of the amount set out in the applicable Settlement Offer by the Acceptance of Settlement Deadline (each an “**Undefended Claim**”), the Defaulting Subject Customers are deemed to admit the truth of all allegations of fact made in the applicable Undefended Claim, including the amount(s) owing by them.

**2.3.3** The Collection Plan Order provides that, upon satisfying the Claims Officer (in his sole discretion) that the Claims Packages were duly served, the Receiver shall be entitled to a default judgment against the Defaulting Subject Customers in the amounts set out in the Undefended Claims.

**2.3.4** Per the Collection Plan Order, following the passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver referred the Undefended Claims to the Claims Officer.

**2.3.5** The Claims Officer was satisfied, upon reviewing the Undefended Claims referred by the Receiver and the Consoli Affidavits, that the Claims Packages were duly served, and accordingly prepared the First Default Judgment Report.

**2.3.6** Section 45 of the Collection Plan Order further provides that the Receiver shall be entitled to an omnibus default judgment to be issued by the Court against the

defaulting Subject Customers in the amounts set out in the First Default Judgment Report.

- 2.3.7 The Receiver is therefore seeking omnibus default judgment in connection with 356 accounts of Defaulting Subject Customers (some of which have more than one account). The Undefended Claims for these accounts have an aggregate value of approximately \$14.8 million.
  - 2.3.8 If the Court grants the Receiver's request for omnibus default judgment, the Receiver or its agents will commence enforcement efforts regarding the applicable Defaulting Subject Customers' accounts.
- 2.4 **Disputed Claims**
- 2.4.1 The Receiver continues to negotiate with Subject Customers regarding thirteen Claims in respect of which it received a Notice of Dispute (the "**Disputed Claims**"). The Receiver hopes to settle several of these claims in the interest of all stakeholders.
  - 2.4.2 In addition, the Receiver has filed three Disputed Claims with the Claims Officer. It has provided notice to the applicable Subject Customer that the Disputed Claim has been referred to the Claims Officer.
- 2.5 **Settled Claims**
- 2.5.1 The Collection Plan Order provides that the Receiver and the Subject Customers are entitled to settle any Disputed Claims, on such terms as they may agree to, at any time.
  - 2.5.2 The Receiver has now entered into settlement agreements with or received repayments from approximately 150 Subject Customers for a total of roughly \$3.0 million. Approximately \$2.05 million and US\$150,000 of this amount has been deposited into the Receiver's bank accounts, and the balance of \$750,000 is subject to agreed-upon payment plan arrangements with these Subject Customers pursuant to their respective settlement agreements
  - 2.5.3 Six Subject Customers are currently in arrears with respect to these payments, totalling approximately \$100,000. The Receiver has been in contact with these Subject Customers to resolve the arrears. If the accounts are not brought into compliance with the agreed-upon payment terms, the Receiver intends to pursue judgements against the Subject Customers for the outstanding amounts owing pursuant to the terms of the Settlement and Release Agreement.

**3.0****CONCLUSION**

---

For the reasons set out above, the Receiver respectfully requests that the Court issue an order substantially in the form of the Default Judgment Order.

All of which is respectfully submitted this 9th day of March 2021.

THIS COURT ORDERS that all employees of the Debtors shall remain the employees of the Debtors until such time as the Receiver, on the Debtors' behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

### **PIPEDA**

18. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the *Canada Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects

identical to the prior use of such information by the Debtors, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

#### **LIMITATION ON ENVIRONMENTAL LIABILITIES**

19. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

#### **LIMITATION ON THE RECEIVER'S LIABILITY**

20. 25. **THIS COURT ORDERS** that each Settlement Offer shall remain open for acceptance until the Acceptance of Settlement Deadline.

26. **THIS COURT ORDERS** that where a Subject Customer pays the full amount of the Settlement Offer to the Receiver by the Acceptance of Settlement Deadline, the Receiver will provide the applicable Subject Customer (including any related Guarantor), with an executed full and final release relating to the Receiver's Claim.

27. **THIS COURT ORDERS** that nothing herein derogates from the Receiver's ability to negotiate with the Subject Customers, for the purpose of resolving the Receiver's Claims on terms acceptable to the applicable parties.

#### **NOTICES OF DISPUTE**

28. **THIS COURT ORDERS** that Subject Customers who dispute the Receiver's Claim against them shall submit to the Receiver a Notice of Dispute, together with copies of all documents relied upon by Subject Customers, by the Notice of Dispute Deadline.

#### **ADJUDICATION OF DISPUTED CLAIMS**

- (a) the applicable Receiver's Claim;
- (b) the applicable Notice of Dispute, together with any supporting documentation filed by the Subject Customer; and

32. **THIS COURT ORDERS** that, subject to further order of the Court, the Claims Officer shall determine the validity and amount of each Disputed Claim referred to the Claims Officer. In doing so, the Claims Officer shall be empowered to determine the process by which further evidence may be brought before him, if necessary, as well as any other procedural matters which may arise in respect of the determination of any Disputed Claim.

#### **RIGHT OF APPEAL**

36. **THIS COURT ORDERS** that each of the Receiver and each Subject Customer shall be entitled to appeal the Claims Decisions to the Court by serving upon the other and filing with this Court, within fifteen (15) calendar days of notification of the Claims Decisions (the "**Appeal Period**"), a notice of appeal returnable on a date to be fixed by this Court.

- 12 -

37. **THIS COURT ORDERS** that if a notice of appeal is not filed within such period, then the applicable Claims Decision shall be deemed to be final and binding and there shall be no further right of appeal, review or recourse to the Court from the Claims Decision.

38. **THIS COURT ORDERS** that, following the expiry of the Appeal Period, the Receiver will seek the direction of the Court regarding the procedure for the hearing of the appeals. All appeals shall proceed as true appeals on the basis of the record before the Claims Officer, and not as hearings *de novo*. The Claims Officer shall not have any role in the appeal process.

39. **THIS COURT ORDERS** that, to the extent that appeals raise common issues, the Receiver may seek to have such appeals consolidated.

40. **THIS COURT ORDERS** that, for clarity, the Receiver shall have the power to settle or abandon any appeals brought pursuant to this Order.

42. **THIS COURT ORDERS** that each Defaulting Subject Customer shall be deemed to admit the truth of all allegations of fact made in the applicable Undefended Claim, including the amount(s) owing by them.

43. **THIS COURT ORDERS** that, upon satisfying the Claims Officer (in his sole discretion) that the Claims Package was duly served on the Subject Customer, the Receiver shall be entitled to default judgment against the Defaulting Subject Customers in the amounts set out in the Undefended Claims.

44. **THIS COURT ORDERS** that, following the passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver shall refer the Undefended Claims to the Claims Officer.

45. **THIS COURT ORDERS** that the Claims Officer shall review the Undefended Claims, and shall prepare a Default Judgment Report. The Receiver shall be entitled to an omnibus default judgment against the Defaulting Subject Customers, in the amounts set out in the Default Judgment Report, to be issued by the Court.

#### **ISSUANCE OF JUDGMENTS**

### RECEIVER'S CLAIM

1. The Claimant, BDO Canada Limited, in its capacity as the Court-appointed receiver (in such capacity, the "Receiver") of 908593 Ontario Limited operating as Eagle Travel Plaza and Eagle Fleet Services ("EFS"), claims as against the subject customer identified in Schedule A hereto (the "Subject Customer"), damages as set out in Schedule A hereto, consisting of:
  - (a) any indebtedness owing to EFS by the Subject Customer, which was incurred during the period September 9, 2019 to October 13, 2019, pursuant to the applicable CCA and/or Guarantee (each as defined below) (the "Indebtedness");
  - (b) interest on the Indebtedness calculated at a rate of 18% per annum in accordance with the CCA (or alternatively, at the rate prescribed by the Courts of Justice Act, R.S.O. 1990 c. C. 43, as amended (the "CJA")), from November 1, 2019 to the date of judgment;
  - (c) post-judgment interest at a rate of 18% per annum, in accordance with the CCA (or alternatively, at the rate prescribed by the CJA);
  - (d) where applicable, a 10% fee arising from dishonoured pre-authorized debit payments, in accordance with the CCA;
  - (e) a fee of \$500 representing an estimate of legal and collection costs incurred to the date of issuance of the Receiver's Collection Plan Order (defined below) (the "Issuance Date");
  - (f) the Receiver's costs of this proceeding from the Issuance Date on a complete or, in the alternative, substantial indemnity basis, plus all applicable disbursements and taxes; and

- (g) such further and other relief as the Claims Officer (defined below) or the Court may deem just.

### **Procedural Background**

2. EFS is a corporation that was incorporated pursuant to the laws of Ontario, with a head office in Tilbury, Ontario. Prior to the appointment of the Receiver, EFS carried on business as a fuel and fleet card service provider to customers consisting of truck transportation companies and sole proprietorships of varying fleet sizes.
3. The Receiver was appointed by way of the Order of the Honourable Justice Hainey of the Ontario Superior Court of Justice (Commercial List) (the "Court") dated September 30, 2019 (the "Appointment Order").
4. By order dated <\*>, the Court authorized the Receiver to collect certain amounts owing to EFS by its customers, by way of a simplified procedure described therein (the "Receiver's Collection Plan Order"). A copy of the Receiver's Collection Plan Order is publicly available at the Receiver's website located at: <https://www.bdo.ca/en-ca/extranets/eagletravelplaza/>.
5. Pursuant to the Receiver's Collection Plan Order, the Court appointed a claims officer (the "Claims Officer") to adjudicate claims brought pursuant to the Receiver's Collection Plan Order, including the within Receiver's Claim.

### **The CCAs and Guarantees**

6. As part of its business operations, EFS provided its customers with fuel cards allowing for the purchase of fuel and other items on credit. As a precondition to being eligible to

purchase fuel and other items on credit, each customer was required by EFS to enter into an Eagle Fuel Card Credit Agreement (each a "CCA").

7. The Receiver pleads and relies upon all of the terms of the CCA. Pursuant to the terms of the CCA, EFS's customers agreed, among other things:

- (a) to remain responsible for paying all charges incurred pursuant to the CCA, including the gross sale price of all goods and services purchased on credit using the fuel card issued pursuant to the CCA, inclusive of taxes, surcharges, and fees as may reasonably be determined by EFS;
- (b) that interest shall accrue on any delinquent credit balance from the date due at the highest rate permitted by law or 18 percent per annum, whichever amount shall be less;
- (c) to be liable for any legal or collection fees incurred to collect any delinquent balance;
- (d) to authorize EFS to debit draft the customer's bank account for any and all outstanding charges during the approved calendar interval, at the dates and times chosen by EFS. The customer further agreed that any debit drafts not honoured by the customer's bank would entitle EFS to, among other things, charge a fee equal to the lesser of (a) 10% of the face amount of the debit draft, or (b) the greatest amount lawfully permitted to be charged on debit drafts returned unpaid; and
- (e) that if the customer disputes any amount invoiced pursuant to the CCA, the customer shall notify EFS of the dispute within 48 hours of receipt of the invoice

(referred to as a statement), failing which the customer shall be conclusively deemed to accept the amount of the invoice.

8. In many cases, a customer's obligation to EFS pursuant to a CCA was secured by a personal guarantee, as set out in a schedule to the CCA entitled a "Guarantee Payment of Funds for Your Company" agreement (each, a "Guarantee").
9. The Receiver pleads and relies upon all of the terms of the Guarantee. Each signatory to a Guarantee (each, a "Guarantor") agreed, among other things:
  - (a) to be jointly and severally liable to EFS for any amounts owing to EFS by the applicable EFS customer; and
  - (b) to waive the giving or making of any demand.
10. The Receiver states that the Subject Customer was a signatory to either a CCA and/or a Guarantee, and is bound by the terms of said CCA and/or Guarantee.
11. Each of the CCA and the Guarantee identifies EFS Inc. as a signatory. The CCA also provides that "EFS refers to Eagle Fleet Services". The Receiver states that, as "EFS Inc." is not a registered entity, whereas "Eagle Fleet Services" is a business name registered to EFS, EFS is entitled to enforce the CCAs and the Guarantees, by its Court-appointed Receiver.

#### **The Subject Customer's Obligations to the Receiver**

12. Between the period September 9, 2019 to October 13, 2019, the Subject Customer incurred the Indebtedness, in its capacity as either a customer of EFS or a Guarantor.

13. To date, despite the Receiver's efforts to recover the Indebtedness through authorized debit drafts and other means, the Indebtedness remains outstanding.
14. The Receiver states that it is entitled to payment of the Indebtedness from the Subject Customer, pursuant to the terms of the CCA and/or the Guarantee, as applicable.
15. The Receiver further states that by non-payment of the Indebtedness, the Subject Customer has been unjustly enriched, to the detriment of the Receiver, for which enrichment there is no juristic reason. The Plaintiff pleads and relies upon the principle of unjust enrichment and seeks a disgorgement from the Subject Customer in an amount equivalent to the Indebtedness.
16. The Receiver pleads and relies upon the terms of the Receiver's Collection Plan Order, and any applicable Rules and/or statutes referred to therein.
17. If necessary, this Receiver's Claim may be served on a party outside of Ontario without leave in accordance with Rule 17.02 of the Rules of Civil Procedure because it relates to a contract that was made in Ontario.
18. This Receiver's Claim will be prosecuted before the Claims Officer in Toronto in accordance with the Receiver's Collection Plan Order.

## INTRODUCTION

1. Pursuant to the Order of the Honourable Justice Hainey of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated September 30, 2019 (as subsequently amended, the “**Appointment Order**”), BDO Canada Limited was appointed as the receiver (the “**Receiver**”), without security, of all the Property (as defined in the Appointment Order) of 908593 Ontario Limited (“**908**”) and certain of the other Defendants in the within proceeding (collectively, the “**Debtors**”).
2. 908, under the names Eagle Travel Plaza, EFS Inc. (“**EFS**”) and Eagle Fleet Services, operated a fleet member reward card program (the “**Fleet Card Business**”) that accounted for approximately 95% of the Debtors’ business. 908’s customers (the “**Fleet Card Customers**”) - truck transportation companies and proprietorships of varying sizes - were provided with “fleet cards” that individual drivers could use to purchase fuel and other items on credit and obtain cash advances at participating gas stations and truck stops throughout North America. 908 was responsible for paying for the gas and other items purchased using the “fleet cards”, as well as cash advances, and it would invoice the Fleet Card Customers on a weekly basis and in most cases, effect pre-authorized debits of customers’ bank accounts or pre-authorized charges to customers’ credit cards.
3. As at the date of the Appointment Order, 908 had approximately 1,300 active known customers and up to 1,800 customers in total (each with one or more trucks in their fleet). Due to numerous concerns regarding the operation of the Fleet Card Business, the Receiver terminated the active operations of the Fleet Card Business on October 11, 2019.
4. In light of the Fleet Card Business representing such a substantial portion of 908’s business, the Receiver dedicated significant effort to the collection of accounts receivable owing to 908 from the Fleet Card Customers. In an effort to pursue the remaining accounts receivable in the amount of approximately CDN\$21.0 million (before penalties, interest and legal fees) owed by over 650 Fleet Card Customers and, in doing so, balancing the need for a more cost-efficient and effective process that would account for the need for procedural fairness, the Receiver sought the Court’s approval of a process for the identification and determination of claims by the Receiver against the Fleet Card Customers, and their guarantors (the

**“Receiver’s Collection Plan”**). The Receiver’s Collection Plan is more particularly set out in paragraph 2.8.2 of the Receiver’s Eighth Report to the Court dated July 21, 2020, a copy of which, without appendices, is attached hereto as Appendix “A” (the **“Eighth Report”**).

5. Pursuant to the Order of the Honourable Justice Hainey dated August 4, 2020 (the **“Collection Plan Approval Order”**), the Receiver’s Collection Plan was approved and Edmond Lamek of DLA Piper (Canada) LLP was appointed as the claims officer (the **“Claims Officer”**) in respect of the Receiver’s Collection Plan. Capitalized terms not otherwise defined in this report are as defined in the Collection Plan Approval Order, a copy of which is attached hereto as Appendix “B”.
6. The Collection Plan Approval Order provides that the Receiver shall deliver a Claims Package to Subject Customers by ordinary mail or email to the last known address or email address of the Subject Customer.
7. The Claims Package shall contain:
  - (a) the applicable Receiver’s Claim;
  - (b) the Notice to Subject Customers;
  - (c) the Instruction Letter;
  - (d) a blank form of Notice of Dispute; and
  - (e) the applicable Settlement Offer.
8. In addition to sending the Claims Package to Subject Customers, the Collection Plan Approval Order also contemplates that the Receiver shall cause the Notice to Subject Customers to be published in *The Globe and Mail* and cause the Notice to Subject Customers, the Instruction Letter, a blank form of Notice of Dispute and the Collection Approval Order to be posted to the Receiver’s Website.
9. The Receiver’s Claim shall constitute the Receiver’s formal request for payment of the outstanding account receivable owed by the relevant Subject Customer, calculated in accordance with the applicable standard form EFS Fuel Card Credit Agreement (**“CCA”**) or

Guarantee. The Receiver's Claim shall set out that the Receiver claims payment of the aggregate of: (i) the gross amount of all known unpaid invoices issued in respect of all fuel and other items purchased by the Subject Customer and its truck drivers for the period of September 9, 2019 to October 13, 2019; (ii) interest calculated at a rate of 18% per annum from November 1, 2019; (iii) where applicable, a 10% fee for pre-authorized debit ("PAD") payments that were dishonoured, as contemplated under the CCA; and (iv) a fixed amount for the Receiver's collection costs and legal fees associated with initiating and administering the Receiver's Collection Plan.

10. Pursuant to paragraph 23 of the Collection Plan Approval Order, the Receiver's Claim shall constitute an initiating process, the service and adjudication of which, in accordance with the terms of the Receiver's Collection Plan Order, shall form a sufficient basis upon which the Court may grant judgment against the Subject Customer.
11. If the Subject Customer wishes to dispute the amount set out in the Receiver's Claim, they are required to deliver a Notice of Dispute to the Receiver by the Notice of Dispute Deadline, being the date that is thirty (30) days from the Date of Service of the Claims Package.
12. In the event that a Subject Customer fails to conclude a settlement with the Receiver by the Acceptance of Settlement Deadline or fails to submit a Notice of Dispute by the Notice of Dispute Deadline, the Subject Customer shall be deemed to be in default (the "**Defaulting Subject Customers**"). Pursuant to the Collection Plan Approval Order, in such circumstances, the Defaulting Subject Customer shall be deemed to admit the truth of all allegations of fact made in the applicable Undefended Claim, including the amount(s) owed by them to 908.
13. Upon the passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver shall refer the Undefended Claims to the Claims Officer who shall review them and prepare a Default Judgment Report.
14. Upon receiving a Default Judgment Report from the Claims Officer, the Receiver shall bring a motion before a Judge of the Commercial List seeking an Omnibus Default Judgment against the Defaulting Subject Customers and Guarantors set out in the Default Judgement

Report. Pursuant to paragraph 43 of the Collection Plan Approval Order, upon satisfying the Claims Officer, in his sole discretion, that the Claims Package was duly served on the Subject Customer, the Receiver shall be entitled to default judgment, issued by the Court, against the applicable Defaulting Subject Customers in the amounts set out in the Claims Officer's Default Judgment Report.

#### **MANDATE OF THE CLAIMS OFFICER**

15. Pursuant to the Collection Plan Approval Order, the Claims Officer, in addition to his prescribed rights, duties, responsibilities and obligations thereunder, shall assist the Receiver and Subject Customers in the determination of the Receiver's Claims. In doing so, the Claims Officer is authorized to take all steps and to do all acts necessary or desirable to carry out the terms of the Collection Plan Approval Order.
16. In carrying out his mandate under the Receiver's Collection Plan and the Collection Plan Approval Order, the Claims Officer is, *inter alia*, entitled to rely upon the books and records of the Receiver and the Subject Customers, and any information provided by the Receiver and Subject Customers, all without independent investigation on the part of the Claims Officer. Further in that regard, the Claims Officer shall not be liable for any claims or damages resulting from any errors or omissions in such books, records or information or in any information provided to the Claims Officer by any party, except to the extent that the Claims Officer has acted with gross negligence or willful misconduct.
17. After passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver shall refer the Undefended Claims to the Claims Officer who shall review the Undefended Claims and prepare a Default Judgment Report.

#### **TEST FOR DEFAULT JUDGMENT**

18. As noted above, as set out in the Collection Plan Approval Order, the Receiver shall be entitled to default judgment against the Defaulting Subject Customers where it has satisfied the Claims Officer, in his sole discretion, that the Claims Packages were duly served on the Subject Customers and the Subject Customers have failed to conclude a settlement by

the Settlement Acceptance Deadline and have failed to submit a Notice of Dispute by the Notice of Dispute Deadline.

19. Having satisfied itself of the foregoing, the Claims Officer shall review the Undefended Claims and set out the amounts of the default judgments against the applicable Defaulting Subject Customers in respect of which the Receiver shall, pursuant to paragraph 43 of the Receiver's Collection Plan Order, be entitled to an omnibus default judgment against the applicable Defaulting Subject Customers.

#### **CLAIMS OFFICER'S REVIEW OF UNDEFENDED CLAIMS AND RELATED EVIDENCE**

20. The Receiver has filed with the Claims Officer the affidavit of Angelo Consoli sworn October 27, 2020 (the "Consoli Affidavit") and the supplementary affidavit of Angelo Consoli sworn March 8, 2021 (the "Supplementary Consoli Affidavit"). Attached hereto as Appendices "C" and "D", respectively, are copies of the Consoli Affidavit and the Supplementary Consoli Affidavit.
21. Exhibit "A" to the Consoli Affidavit attests to the service by the Receiver of the Claims Package upon the Subject Customers by way of email transmission to the Subject Customers' email addresses on the dates set out therein.
22. Exhibit "B" to the Consoli Affidavit attests to the service by the Receiver of the Claims Packages upon the Subject Customers via regular mail on August 27, 2020.
23. Paragraph 17 of the Collection Plan Approval Order directs the Receiver to serve the Claims Packages by ordinary mail or email to the last known address or email address of the Subject Customers within three Business Days following the Comeback Date. The Comeback Date was August 26, 2020. Accordingly, the deadline for service of the Claims Packages was August 31, 2020.
24. Pursuant to the Supplementary Consoli Affidavit, the Receiver attempted to serve seven of the Subject Customers by email on August 31, 2020 but was unsuccessful in doing so. However, the Receiver was able to successfully serve the Claims Packages on the those Subject Customers by email on September 1, 2020.

25. The Supplementary Consoli Affidavit also states that in implementing the Receiver's Collection Plan, it became apparent to the Receiver that the legal names of certain of the Subject Customers had not been accurately recorded in the Debtors' books and records as those records listed a number of the Subject Customers by their trade names as opposed to their legal names.
26. While Claims Packages had been sent by the Receiver to the aforementioned Subject Customers in August and September 2020, in light of the foregoing, the Supplementary Consoli Affidavit states that the Receiver sent amended Claims Packages on January 29, 2021 and February 1, 2021 to the last known email addresses of the applicable Subject Customers listed in Exhibit "E" to the Supplementary Consoli Affidavit.
27. In addition, the Receiver caused amended Claims Packages to be sent by ordinary mail to the last known mailing addresses of the applicable Subject Customers listed in Exhibit "F" to the Supplementary Consoli Affidavit.
28. Pursuant to the Supplementary Consoli Affidavit, the amendments to the Claims Packages sent in January and February 2021 accounted for the changes to the name of the applicable Subject Customer.
29. In reviewing the materials submitted by the Receiver in support of its claims against the Defaulting Subject Customers and in carrying out his mandate under the Collection Plan Approval Order, the Claims Officer has relied upon the Consoli Affidavit and the Supplementary Consoli Affidavit as the evidence in respect of service of the Claims Packages and whether the Subject Customers failed to conclude a settlement by the Settlement Acceptance Deadline or failed to submit a Notice of Dispute by the Notice of Dispute Deadline.
30. Further in that regard, the Claims Officer notes that the Collection Plan Approval Order does not give the Claims Officer the discretion to waive strict compliance by the Receiver with the Collection Plan Approval Order service requirements, however, should the Court determine to do so by subsequent order, so long as the applicable Subject Customers were given the full 30 days from the date of service to file a Notice of Dispute or pay the amount

of the Receiver's Settlement Offer, the Claims Officer does not see any prejudice to any Defaulting Subject Customers arising from service of the Claims Packages as more particularly described in the Consoli Affidavit and the Supplementary Consoli Affidavit and as noted above.

31. The Supplementary Consoli Affidavit also sets out the following evidence for the Claims Officer's consideration (parenthetical references are the Claims Officer's) :
- (i) the Receiver caused the Collection Plan Approval Order to be posted to the Receiver's Website on August 6, 2020 (in compliance with paragraph 15 of the Collection Plan Approval Order);
  - (ii) the Receiver sent a copy of the Collection Plan Approval Order to the Subject Customers by ordinary mail (on August 5, 2020) or email (on August 6, 2020) to the last known address or email address of the Subject Customer (in compliance with paragraph 14 of the Collection Plan Approval Order);
  - (iii) the Receiver caused a copy of the Notice to Subject Customers, the Instruction Letter and a blank form of the Notice of Dispute, to be posted to the Receiver's Website on August 28, 2020 and the Notice to Subject Customers to be published in *The Globe and Mail* on September 2, 2020 and September 5, 2020 (in compliance with paragraphs 18 and 19 of the Collection Plan Approval Order);
  - (iv) as of the Notice of Dispute Deadline/Acceptance of Settlement Deadline, the Receiver did not receive any Notice of Dispute or payment of a Settlement Offer amount from any of the Subject Customers listed in Exhibit "H" to the Supplementary Consoli Affidavit; and
  - (v) for purposes of converting United States' dollar denominated Receiver Claims into Canadian dollar claims (for purposes of obtaining an omnibus default judgment in Canadian dollars), the Receiver determined that the Bank of Canada daily average rate for United States' dollar against the Canadian dollar on August 4, 2020 was 1.3372, which rate was utilized by the Receiver in converting United States' dollar denominated Receiver Claims into Canadian dollar claims for submission to the Claims Officer and the Court (in accordance with paragraph 7 of the Collection Plan Approval Order).
32. In addition to the Consoli Affidavit and the Supplementary Consoli Affidavit, the Claims Officer has been provided with the Statements of Account, and in certain instances the amended Statements of Account, setting out the amounts owed to 908 by each of the

Defaulting Subject Customers in respect of whom the Receiver is seeking default judgment. As set out above, the amounts sought by the Receiver are comprised of the gross amount of all known unpaid invoices issued to the Defaulting Subject Customer for the period of September 9, 2019 to October 13, 2019, interest calculated at a rate of 18% per annum from November 1, 2019 to March 15, 2021, where applicable, a 10% returned PAD fee and the fixed amount of CDN\$500 (or US\$370 where the unpaid invoices were in U.S. dollars) for the Receiver's collection costs and legal fees.

33. As set out in the Eighth Report, the fleet cards were administered by two third-party service providers, WEX Bank (dba T-Chek Systems, Inc.) and Comdata Inc., which maintained the electronic records of the Subject Customers' charges incurred on the fleet cards. The Receiver obtained the underlying Subject Customer account reports directly from each of WEX Bank and Comdata, and, as a result, the Receiver is of the view that there was no opportunity for manipulation of such account information by 908 or its employees. Each of WEX Bank and Comdata are subsidiaries of public companies traded on the New York Stock Exchange and are significant participants in the North American fleet service market.
34. Although CCAs could not be found for each of the Fleet Card Customers, it is the Receiver's understanding that for Fleet Card Customers to participate in the Fleet Card Business, the execution of a CCA was required. The CCA was a standard form agreement pursuant to which the Fleet Card Customers requested charge card services from EFS and assumed the liability for payment of all charges incurred on the fleet cards. Where the Receiver is seeking default judgment against a Guarantor, the Claims Officer was provided with a copy of the relevant CCA.
35. The terms of the CCA provide, *inter alia*:
  - (i) that the Fleet Card Customers agree to remain responsible for paying all charges reasonably determined by EFS to be imposed upon the Fleet Card Customers. Further in that regard, the CCA references an EFS Carrier Fee Schedule which is incorporated by reference in the CCA and pursuant to which charges and fees assessed by EFS to the Fleet Card Customers are determined. In reviewing the CCAs submitted by the Receiver in respect of the Subject Customers, the Claims Officer notes that the EFS Carrier Fee Schedule was not attached to any of the CCAs and the Claims Officer

has been advised by the Receiver that it has not found copies of the EFS Carrier Fee Schedule amongst 908's books and records;

- (ii) that interest shall accrue on any delinquent credit balance from the date due at the highest rate permitted by law or 18% per annum, which amount shall be less; and
  - (iii) in respect of dishonoured PADs, a fee equal to the lesser of (i) 10% of the face amount of each debit draft or cheque returned unpaid or (ii) the greatest amount lawfully permitted to be charged on debit drafts returned unpaid, would be charged to the Fleet Card Customer.
36. In addition to the Defaulting Subject Customers, the Receiver also seeks default judgment against the Guarantors of the Defaulting Subject Customers. The form of personal guarantee entered into by the Guarantors provides that the guarantor unconditionally, absolutely and irrevocably guarantees payment when due of any and all liabilities, indebtedness and obligations of the enumerated Subject Customer to EFS. Although the guarantee does not specifically refer to the Subject Customer's indebtedness under the CCA, given its all encompassing language, the guarantee would, by its terms, include the indebtedness and obligations of the Subject Defaulting Customer under the CCA.
37. Based on the Claims Officer's review of the materials submitted by the Receiver and the terms of the Collection Plan Approval Order, the Claims Officer sees no issues that would undermine the provisions of paragraph 43 of the Collection Plan Approval Order entitling the Receiver to judgments in the amounts set out in Appendix "E" hereto.

#### **CLAIMS OFFICER'S RECOMMENDATIONS**

38. Having reviewed the various statements of account and being satisfied that the Claims Packages have been duly served on the applicable Defaulting Subject Customers and that said Defaulting Subject Customers have failed to conclude a settlement by the Settlement Acceptance Deadline and have failed to submit a Notice of Dispute by the Notice of Dispute Deadline, the Claims Officer believes that the Receiver is entitled under paragraph 43 of the Collection Plan Approval Order to an omnibus default judgment against the Defaulting Subject Customers set out in Appendix "E" hereto in the amounts set out therein.

Accordingly, the Claims Officer recommends that the Court grant an omnibus default judgment in favour of 908 against the Defaulting Subject Customers listed in Appendix "E" in the respective amounts set out therein.

# INTRODUCTION AND PURPOSE OF REPORT

---

### 1.1 Introduction

1.1.1 By way of an order of the Honourable Justice Hainey of the Ontario Superior Court of Justice (Commercial List) (the “Court”) dated September 30, 2019 (as subsequently amended, the “Appointment Order”), BDO Canada Limited was appointed as the receiver (the “Receiver”), without security, of all the Property (as defined in the Appointment Order) of 908593 Ontario Limited (“908”) and certain of the other Defendants. Attached as Appendix “A” hereto is a copy of the Appointment Order. As detailed below, certain of the Defendants are no longer subject to the Appointment Order. The parties listed in Appendix “B” hereto are the parties in addition to 908 that are currently subject to the Appointment Order (collectively, the “Debtors”).

### 1.2 Purpose of this Report

1.2.1 This report is the Receiver’s eighth report to the Court (the “Eighth Report”) and is filed in respect of the Receiver’s motion for an order (the “Receiver’s Collection Order”) establishing a process (the “Receiver’s Collection Plan”) for the identification and determination of claims by the Receiver against certain customers of 908, and their guarantors. The customers and guarantors who will be the subject of the Receiver’s Collection Plan collectively owe 908 approximately CAD\$21 million in unpaid accounts receivable. The draft Receiver’s Collection Order is attached at Tab 3 of the Receiver’s Motion Record.

1.2.2 In preparing this Eighth Report, the Receiver has relied upon the Debtors’ books and records that could be located by the Receiver, unaudited and draft financial information available, certain financial information obtained from third parties, and discussions with various individuals (collectively, the “Information”). The Receiver has not audited, or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“CAS”) pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of the Information.

1.2.3 This Eighth Report has been prepared for the use of this Court in respect of the above-noted relief. This Eighth Report should not be relied upon for any other purpose. The Receiver will not assume responsibility or liability for losses incurred as a result of the circulation, publication, reproduction or use of this Eighth Report contrary to the provisions of this paragraph.

1.2.4 All references to dollars are in Canadian currency unless otherwise noted.

1.2.5 In accordance with the Appointment Order, copies of unsealed materials and prescribed notices delivered and/or filed in the receivership proceedings are available on the Receiver’s case website (the “Receiver’s Website”) at [www.extranets.bdo.ca/eagletravelplaza](http://www.extranets.bdo.ca/eagletravelplaza).

## **2.0 RECEIVER'S COLLECTION PLAN**

### **2.1 Introduction**

- 2.1.1** As described in the Third Report of the Receiver dated October 18, 2019 (the "Third Report"), the Debtors' fleet member reward card program (the "Fleet Card Business") accounted for approximately 95% of the Debtors' business. Prior to the receivership, the Fleet Card Business generated revenues of approximately \$1.1 million per day.
- 2.1.2** The Fleet Card Business is described in detail at paragraph 3.1.1 of the Third Report. Briefly, 908 provided customers (i.e. truck transportation companies and proprietorships of varying sizes) (the "Fleet Card Customers") with "fleet cards" (essentially credit cards) that individual drivers could use to purchase fuel and other items on credit at participating gas stations and truck stops throughout North America. 908 was responsible for paying for the gas and other items purchased using the fleet cards, and then seeking payment from its customers. As of the date of the Appointment Order, 908 had approximately 1,300 active known customers, and up to 1,800 customers in total (each with one or more trucks in their fleet). The program encompassed other elements and incentives made available to certain customers, such as an ability to claim cash advances and/or rebates.
- 2.1.3** As previously reported in the Third Report, the Receiver terminated active operations of the Fleet Card Business on October 11, 2019, after determining that it lacked any centralized record-keeping, traditional management structure, and/or controls, and that it was generating significant and rapidly escalating losses. The Receiver was also concerned about rapidly escalating risk of collection default, due to significant returns from pre-authorized debit payments, as described in greater detail below.
- 2.1.4** Although the Fleet Card Business lacked adequate records as described in the Third Report, the Receiver has accurate and reliable records of the amounts charged by Fleet Card Customers for fuel and other items purchased using the Fleet Cards during the period September 15, 2019 through to October 11, 2019. These records were generated automatically by the electronic systems maintained by two third-party operators, WEX Bank (doing business as T-Chek Systems, Inc. "T-Chek") and Comdata, Inc. ("Comdata"), such that there was no opportunity for user input or error, or manipulation by 908's principals or employees. These detailed reports support the amounts that the Receiver proposes to collect by way of the Receiver's Collection Plan outlined below. An illustrative example of such record-keeping is attached hereto as **Appendix "C"**.
- 2.1.5** Since its appointment, and in light of the Fleet Card Business representing a significant portion of the Debtors' overall business, the Receiver has devoted significant efforts attempting to collect amounts owing to 908 from Fleet Card Customers (the "Fleet Card A/R"). These efforts are described in greater detail below.
- 2.1.6** Currently, the Receiver has collected CAD\$3.7 million and US\$1.8 million through its collection efforts from Fleet Card customers. The sum of approximately

CAD\$21.0 million remains outstanding (before penalties, interest, and legal fees), reflecting Fleet Card A/R owing by over 850 Fleet Card Customers.<sup>1</sup>

- 2.1.7 The Receiver accordingly seeks the Court's approval of the Receiver's Collection Plan, for the purpose of allowing the Receiver to pursue the Fleet Card A/R in a just and cost-effective manner, for the benefit of all stakeholders.

## 2.2 The CCA and Guarantee

- 2.2.1 As a precondition to becoming eligible to purchase fuel and other items on credit, 908 required Fleet Card Customers to enter into a standard form Eagle Fuel Card Credit Agreement ("CCA"). A redacted copy of a CCA, together with a more legible copy created by counsel for the Receiver's office, are attached hereto as Appendix "D".

- 2.2.2 The CCA is purportedly executed on behalf of "EFS Inc." The Receiver's counsel has conducted appropriate searches and determined that there is no legal entity registered in Canada under the name "EFS Inc." The CCA also states, "EFS refers to Eagle Fleet Services". "Eagle Fleet Services" is a business name registered to 908. On this basis, the Receiver has concluded that any reference to "EFS Inc." in the CCAs is intended to refer to 908. A copy of the business names report for "Eagle Fleet Services" is attached hereto as Appendix "E".

- 2.2.3 The terms of the CCA provide, among other things:

- a) the Fleet Card Customer agrees to remain responsible for paying all charges incurred on each fleet card issued pursuant to the applicable CCA, including, without limitation, the gross sale price of all goods and services purchased, as well as any cash advances;
- b) 908 shall issue invoices to the Fleet Card Customer on a weekly basis. Subject to the terms and conditions of the CCA, if the Fleet Card Customer disputes the amount(s) set out in an invoice issued by 908, the Fleet Card Customer shall notify 908 of the dispute within 48 hours of receipt of the invoice. If the Fleet Card Customer fails to so notify 908 within such 48-hour period, the Fleet Card Customer shall be deemed to have conclusively accepted the amount of the invoice;
- c) if a Fleet Card Customer fails to pay the invoice within the approved terms, such failure shall constitute a material breach of the CCA, and 908 may immediately terminate the agreement and pursue any and all remedies available to it by law, equity, statute or otherwise;
- d) the Fleet Card Customer is responsible for all of 908's legal fees associated with any collection efforts arising from the Fleet Card Customer's failure to pay any amounts owing to 908; and
- e) where there is a default, 908 may charge interest on the overdue balance at a rate of 18% per annum. Where a pre-authorized debit ("PAD") request by

<sup>1</sup> This figure will fluctuate with the exchange rate, as it includes amounts converted from USD.

908 for the payment of an amount due is dishonoured by the Fleet Card Customer's bank, 908 may charge a dishonoured fee of 10%.

- 2.2.4 Fleet Card Customers paid the invoices issued by 908 through a variety of methods, including credit cards, funds transfers, and cheques. The most common way for Fleet Card Customers to pay their invoices was by way of 908 debiting a Fleet Card Customer's bank account directly through 908's bank account system, pursuant to the PAD arrangements.
- 2.2.5 Through its mandate, the Receiver has located CCAs for approximately 60% of Fleet Card Customers. Through discussions with 908's employees, customers, and its own review of 908's books and records, the Receiver understands that all Fleet Card Customers were required to execute such documentation in order to be eligible to participate in the Fleet Card program. The terms and conditions of the CCAs therefore ought to be deemed to apply to all Fleet Card Customers who owe outstanding Fleet Card A/R.
- 2.2.6 In addition, unless the Fleet Card Customer was an individual or sole proprietorship, 908 also required the principal of the Fleet Card Customer and/or some other person or entity to provide a guarantee for the payment of amounts owing to 908 pursuant to the applicable CCA (collectively, the "Guarantors" and each a "Guarantor").
- 2.2.7 Each Guarantor executed a "Guarantee Payment of Funds for Your Company" agreement (each, a "Guarantee"). The Guarantees provide that the Guarantors are personally and jointly and severally liable to 908 for the amounts owing by the applicable Fleet Card Customer. A redacted Guarantee is found as part of the sample CCA document attached as Appendix D.
- 2.2.8 The Receiver has located Guarantees identifying 421 unique Guarantors. By way of the Receiver's Collection Plan, the Receiver proposes to seek judgment against the Guarantors along with the Fleet Card Customers.

### 2.3 The Receiver's Collection Efforts

- 2.3.1 As detailed at sections 2.3 and 3.4 of the Third Report, section 2.2 of the Fourth Report of the Receiver dated November 11, 2019 (the "Fourth Report"), and section 3.3 of the Fifth Report of the Receiver dated November 26, 2019 (the "Fifth Report"), the Receiver has faced significant challenges in collecting the Fleet Card A/R. Copies of the Fourth Report and the Fifth Report, without appendices, are attached hereto as Appendices "F" and "G", respectively.
- 2.3.2 As most Fleet Card Customers paid 908 through PAD arrangements, the Receiver has expended a great deal of effort on debiting Fleet Customer accounts through the applicable banking system ("PAD Processing").
- 2.3.3 In this regard, Section 3.4 of the Third Report details the Receiver's initial efforts to conduct PAD Processing in October 2019, including its efforts to retrieve missing banking information that was required to conduct such PAD Processing. These efforts involved both BDO staff, and 908 staff who assisted the Receiver.

2.3.4 As of October 11, 2019 (the date the Fleet Card Business ceased operations), the Receiver had processed CAD\$5,532,445.30 and U.S.\$3,598,861.62 in customer payments. The Receiver experienced numerous returned items from PAD Processing, as detailed in the below chart (reproduced from section 3.4.8 of the Third Report):

Reason for Return	Currency	
	CAD	U.S.
Payment stopped by customer	\$ 472,023	\$ 67,558

Account closed	55,315	417
Account not found	68,122	88,676

No agreement existed	39,266	-
Other	42,503	-
<b>Totals</b>	<b>\$ 1,130,248</b>	<b>\$ 289,780</b>

2.3.5 Between October 11, 2019 and October 22, 2019, the Receiver continued to conduct PAD Processing and continued to experience significant returns. The results of these efforts are detailed in the chart at paragraph 2.3.11 below.

2.3.6 Examples of some of the return reports generated by CIBC's systems are attached hereto as Appendix "H".

2.3.7 As detailed in section 2.2 of the Fourth Report, in many cases 908's records did not contain sufficient information to permit the Receiver to complete the PAD Processing for that particular Fleet Card Customer.

2.3.8 Prior to the issuance of the Appointment Order, 908 transitioned the majority of its Fleet Card Business accounts to Bank of Montreal ("BMO"). Accordingly, on November 13, 2019, the Receiver sought and was granted an order compelling BMO to produce information in its possession relating to the Fleet Card A/R (the "BMO Production Order"). A copy of the BMO Production Order is attached hereto as Appendix "I".

2.3.9 In accordance with the BMO Production Order, BMO subsequently produced the information requested therein.

2.3.10 After an extensive review of this information for customer bank account details, and other relevant information, together with sourcing copies of outstanding invoices and arranging to distribute them to Fleet Card Customers, the Receiver conducted a further round of PAD Processing, between December 22, 2019 and January 9, 2020. This resulted in the Receiver processing CAD\$2.9 million and US\$1.8 million of Fleet Card A/R, and recovering CAD\$363,000 and US\$ 161,000 of Fleet Card A/R. This round of PAD Processing resulted in returns of CAD\$2.5 million and US\$1.6 million.

2.3.11 A chart reflecting the results of the Receiver's PAD Processing is set out below:

	<b>PAD Summary</b>		
	<b>Processed to</b>		
	<b>22-Oct-19</b>	<b>09-Jan-20</b>	<b>Total</b>

Net	<u>\$ 1,488,699.96</u>	<u>\$ 161,286.20</u>	<u>\$ 1,649,986.16</u>

- 2.3.12 After the Receiver completed its last round of PAD Processing, in or around mid-January, 2020, the Receiver assigned an individual BDO manager to each Fleet Card Customer with outstanding Fleet Card A/R totalling over \$50,000. Between January and April, 2020, BDO managers followed up with such Fleet Card Customers by email and telephone. These efforts resulted in further recoveries of approximately CAD\$225,000.
- 2.3.13 Further, the Receiver continued to retain 908 staff to make collection calls, as this individual had a level of familiarity with the Fleet Card Customers.
- 2.3.14 In addition, for certain larger Fleet Card Customers, the Receiver has sent demand letters through counsel. Examples of such demand letters are attached hereto as Appendix "J".
- 2.3.15 In addition to recoveries through PAD Processing and the personal communications described above, the Receiver has recovered the sum of approximately CAD\$300,000 paid through other methods, such as credit card and cheque.
- 2.3.16 In respect of known invoicing for the period September 22, 2019 through to October 13, 2019, in total, the Receiver has recovered approximately CAD\$6.1 million. The sum of approximately CAD\$21.0 million remains outstanding, prior to the application of any interest or other charges and costs calculated pursuant to the CCA, or at law. These amounts relate to approximately 650 Fleet Card Customers. The Receiver continues to review Fleet Card Customer accounts and/or information supplied by customers to ascertain if any amounts have been paid or remain outstanding.
- 2.3.17 Attached as **Confidential Appendix "1"** hereto is a listing of the outstanding Fleet Card A/R, inclusive of applicable interest and other charges and costs calculated under the CCA or at law. These are the amounts that the Receiver seeks to recover through the Receiver's Collection Plan.
- 2.3.18 The Confidential Appendix also identifies those Fleet Card Customers who will be the subject of the Receiver's Collection Plan (the "Subject Customers"). "Subject Customers" include applicable Guarantors.

**2.3.19** As set out in Confidential Appendix 1, the amounts that the Receiver seeks to recover through the Receiver's Collection Plan total approximately CAD\$20.6 million. The Receiver has excluded from the process certain claims which it has determined will not be cost-effective to pursue by way of the process, due to the low value of the claims and/or the anticipated settlement amounts. In excluding these claims, the Receiver has not waived the underlying liabilities, and reserves the right to pursue such debts in the future should circumstances warrant.

**2.3.20** The Receiver seeks a sealing order in respect of Confidential Appendix 1, which sets out the addresses and amounts owing by the Fleet Card Customers, to protect the Fleet Card Customers' privacy interests.

## **2.4 Response from Fleet Card Customers**

**2.4.1** In December 2019, the Receiver issued up-to-date invoices to each of the Fleet Card Customers setting out the outstanding amount as at the date. An example of such an invoice is attached hereto as **Appendix "K"**.

**2.4.2** Pursuant to the CCA, each Fleet Card Customer thereafter had 48 hours to dispute the amount set out in the invoice, or else be deemed to conclusively accept the amount claimed. A number of Fleet Card Customers replied within this period to dispute the amount outstanding, primarily on the basis of rebate claims. The Receiver anticipates that Fleet Card Customers will identify such accounting issues in the Notice of Dispute to be filed in response to the Receiver's Claim (each as defined in the Receiver's Collection Plan below). No Fleet Card Customers responded to the Receiver to dispute that the charges had been incurred in the first place.

**2.4.3** In many cases, Fleet Card Customers who have refused to pay the Fleet Card A/R have not communicated directly with the Receiver; rather, they simply stopped payment on the PAD Processing of their accounts, or refused to advance funds to pay the amounts owing.

**2.4.4** In the cases where the Receiver has communicated directly with a Fleet Card Customer regarding their refusal to pay, the Fleet Card Customer's objection to making payment arises from a dispute over the amount outstanding.

**2.4.5** Such disputes generally fall within two categories: the Fleet Card Customer either asserts an entitlement to a rebate from 908; or, in a limited number of circumstances, the Fleet Card Customer asserts that it has loaned funds to 908, which loan amount it claims must be set-off from the outstanding Fleet Card A/R. There is also a limited group of Fleet Card Customers who assert that they have already paid the amounts outstanding.

**2.4.6** As set out at section 3.1.1 of the Third Report, the Receiver has not found any contractual requirement for 908 to issue rebates to Fleet Card Customers, nor any documented basis upon which such rebates were to be calculated. The Receiver understands that, historically, 908 provided customers with rebates, apparently on a gratuitous basis, which Simranjit Dhillon ("Simran") personally quantified based on the spread between the price and the cost of fuel, and taking into consideration

the volume of fuel purchased, Simran's relationship with the customer, and the economic climate.

- 2.4.7 Similarly, the Receiver has not found any contractual or other documentary evidence of loans made to 908 by Fleet Card Customers. The so-called "customer loans" have been the subject of several exchanges of communications between counsel for the Receiver and counsel for the Dhillons. To date, the Dhillons have not produced any evidence to substantiate these customer loans.
- 2.4.8 Accordingly, the Receiver does not agree that the Fleet Card Customers are legally entitled to set-off either the alleged rebates, or the alleged customer loans, against the outstanding Fleet Card A/R.
- 2.4.9 Regrettably, many of the Fleet Card Customers have taken an obstructionist or otherwise negative approach to their dealings with the Receiver.
- 2.4.10 By way of example, the Receiver retained Harjot Bhullar, a former employee of 908, to make collection calls. Mr. Bhullar advised the Receiver that he was having difficulty making such calls, as he advised that the Fleet Card Customers were "aggressive" and "abusive". Mr. Bhullar ultimately resigned effective April 3, 2020. Copies of email exchanges between Mr. Bhullar and the Receiver in this regard are attached hereto as **Appendix "L"**.

## 2.5 The Collections Process Order

- 2.5.1 On December 16, 2019, the Honourable Justice Hainey issued an order (the "Collections Process Order") approving a process by which the Receiver would solicit bids from collections agencies for the right to collect, or assist the Receiver in collecting, the Fleet Card A/R. A copy of the Collections Process Order is attached hereto as **Appendix "M"**.
- 2.5.2 The Collections Process Order authorized the Receiver to, at its discretion, enter into an agreement: (a) for the purchase of the right to collect the Fleet Card A/R; and (b) for the provision of services to assist the Receiver in collecting the Fleet Card A/R.
- 2.5.3 Pursuant to the Collections Process Order, the Receiver solicited bids from collections agencies. Attached as **Appendix "N"** hereto is a summary of the bids received (the "Collections Agency Summary").
- 2.5.4 As set out in the Collections Agency Summary, of the four bids received, three provided for a percentage commission fee to be paid to the collection agency out of actual collections. The commissions appeared to the Receiver to be high.
- 2.5.5 Only one agency offered to purchase the Fleet Card A/R outright, for a purchase price of only \$102,000, based on Fleet Card A/R of over CAD\$21 million.
- 2.5.6 Furthermore, the Receiver's experiences in attempting to collect the Fleet Card A/R suggested to it that it was unlikely that the collections agencies would have a great deal of success in collecting the Fleet Card A/R using conventional approaches.

2.5.7 In the circumstances, and given the economics of the proposals presented, the Receiver determined that none of the bids was acceptable. The Receiver has accordingly developed the Receiver's Collection Plan as a more effective, and efficient alternative.

## 2.6 Involvement of the Dhillons

2.6.1 The Dhillons initially opposed the Collections Process Order, on the basis that they believed they would be more successful at collecting the Fleet Card A/R than the Receiver or a third-party collections agency.

2.6.2 Through counsel, the Receiver engaged in numerous discussions with the Dhillons regarding the terms upon which they would be willing to provide such assistance.

2.6.3 After several rounds of exchanges of letters and telephone calls, the Dhillons and the Receiver were unable to come to acceptable terms for the provision of such assistance. Among other things, the Dhillons refused to meet with the Receiver to provide information relevant to Fleet Card A/R collections unless the meeting was "without prejudice". This term was unacceptable to the Receiver, as: (a) it would prevent the Receiver from fulfilling its obligation to report its activities to the Court; and (b) it was contrary to the Appointment Order, which requires the Dhillons to provide access and co-operation to the Receiver.

2.6.4 Copies of some of the letters exchanged between counsel in this regard are attached hereto as **Appendix "O"**.

## 2.7 Accounts Receivable Insurance

2.7.1 908 purchased from Atradius Credito Y Caucion S.A. de Seguros Y Reaseguros ("Atradius"), a licenced insurer in Ontario, a policy of credit risk insurance applicable to the Fleet Card A/R, beginning June 1, 2019 (the "Policy"). The policy limits in the Policy are approximately \$5.9 million. The Policy provides coverage for various events, including a Fleet Card Customer's insolvency and protracted default.

2.7.2 Under the Policy, a credit limit must be set for each individual Fleet Card Customer, in one of three ways. First, 908 can request that Atradius fix the credit limit, in which case Atradius will undertake its own investigations and advise of the credit limit it is prepared to extend. Second, 908 can establish a credit limit, referred to as a discretionary credit limit, by requesting a credit report for the Fleet Card Customer from a third party agency like Equifax, which does not reveal any materially adverse information. Third, 908 can establish a discretionary credit limit through the Fleet Card Customer's positive payment history. A discretionary credit limit cannot exceed \$50,000.

2.7.3 The Receiver began submitting claims to Atradius, with the assistance of the Receiver's counsel, beginning in January 2020. Each claim included copies of applicable invoices, copies of applicable Equifax searches, and other information to support the claim. To date, the Receiver has submitted 178 claims, which total in the aggregate Fleet Card A/R of more than CAD\$4,000,000 (USD has been converted into CAD).

- 2.7.4** Pursuant to the Policy, as a pre-condition to a claim being honoured, 908 must assign the account receivable for the applicable Fleet Card Customer to Atradius Collections, an entity related to Atradius. Atradius Collections would then make efforts to recover that receivable. The Receiver's legal counsel is of the view that, pursuant to the terms of the Policy, Atradius's obligations under the Policy do not depend upon the recovery of any money by Atradius Collections. This being said, to be compliant with the terms of the Policy, all claims submitted have been conditionally assigned to Atradius Collections. The assignment is conditional on Atradius accepting and paying out the required amount under the Policy for the claim.
- 2.7.5** The Atradius Collections webportal indicates that Atradius Collections has recovered in excess of \$74,000 in payments from Fleet Card Customers. Atradius has taken the position that it is entitled to retain these funds, on the basis that 908 owes premiums to Atradius under the Policy. The Receiver, through its counsel, has asked for an accounting of the premiums paid by 908 prior to the Appointment Order. Atradius has failed to respond to this request, but it appears, based upon the premium amounts that Atradius states are outstanding, that 908 paid approximately \$60,000 in premiums prior to the date of the Appointment Order. If this is the case, then all of the premiums payable up to and including the end of September 2019 have been paid. Counsel for the Receiver has advised that no further premiums are owing given: (a) pursuant to the Appointment Order, any claim by Atradius for unpaid premiums becomes an unsecured claim which must be addressed in the normal course; (2) the Fleet Card Business operations were terminated on October 11, 2019, and thus there was thereafter no need for continuing credit risk insurance, nor any accounts receivable to insure; and (3) the Policy provides that the Policy will be terminated effective immediately as of the date of the Appointment Order, subject to the right of the Receiver to take the position that the stay provided for in the Appointment Order prohibits Atradius from terminating the Policy without Court approval.
- 2.7.6** Despite regular communication from counsel for the Receiver, Atradius has not provided a response in respect of the vast majority of the claims submitted. The Receiver withdrew several claims after receiving payment from the applicable Fleet Card Customer. Atradius has proposed closing several other claims given the nominal size of the claim. Through counsel, the Receiver has objected to the closure of several other claims. To date, no claims have been paid.
- 2.7.7** Counsel for the Receiver has been advised by Atradius and/or Atradius Collections that a vast majority of Fleet Card Customers which are the subject of claims have disputed the claims, on the basis that they are owed certain rebates on fuel purchases made in August through October 2019. As described above, counsel to the Receiver has reviewed the rebate issue and has not found any contractual requirement for 908 to issue rebates to Fleet Card Customers, nor any documented basis upon which such rebates were to be calculated.
- 2.7.8** Atradius takes the position that, under the terms of the Policy, if a Fleet Card Customer raises a dispute, it has no obligation to pay out on the claim. The Receiver does not agree with this interpretation of the Policy.

- 2.7.9** Additionally, Atradius has taken the position that the Policy contains an aggregate limit applicable to Fleet Card Customers to whom discretionary credit limits apply, which limits payouts in respect of such Fleet Card Customers to an aggregate total during the one year term of the Policy of \$100,000. Counsel for the Receiver disputes this interpretation for a number of reasons, not least of which is the fact that the word “aggregate” does not exist in the applicable sentence of the Policy. Atradius’ position is also inconsistent with the fact that the total advance premium payable during the policy term (\$181,000) is nearly double this alleged aggregate limit.
- 2.7.10** Upon submitting its claims to Atradius, as noted earlier, the Receiver advised Atradius that it would assign the applicable receivable to Atradius Collections contingent upon Atradius honouring the claim. If Atradius could both deny a claim, yet retain the assignment of the underlying receivable, Atradius would benefit from a windfall. A copy of an example of the Receiver’s counsel’s letter to Atradius in this regard is attached hereto as **Appendix “P”**.
- 2.7.11** Accordingly, and in light of Atradius’ refusal to date to pay any of the claims, the Receiver’s counsel has written to Atradius Collections to advise that its assignment of claims against Fleet Card Customers to Atradius Collections is withdrawn for the purposes of pursuing these Fleet Card Customers through the Receiver’s Collection Plan. A copy of this letter is attached hereto as **Appendix “Q”**.
- 2.7.12** The Receiver caused a statement of claim to be issued against Atradius on February 20, 2020. The claim was issued so as to insure that there would be no inadvertent missing of any prescription or limitation periods under the Policy. The claim was served on the understanding that no defence was required, and in the hope that the claims being submitted would be adjusted in the normal course. Given the lack of response by Atradius and the positions that it has taken, it is the Receiver’s view that Atradius has not been acting in good faith and accordingly, it intends to pursue Atradius to the fullest extent of the law. The Receiver has drafted an amended statement of claim, which it seeks to have issued as part of this motion, as counter services at the civil list are not readily available during the COVID-19 shutdown. A copy of the amended statement of claim, which has been forwarded to Atradius, is attached hereto as **Appendix “R”**.
- 2.7.13** The Receiver believes that it is appropriate to continue to pursue Atradius for two reasons. First, payments under the Policy should be made and should be made promptly. This would reduce the burden on the Receiver under the Receiver’s Collection Plan. It is appropriate to advance the litigation against Atradius for the purpose of having Atradius’ objections to paying the Receiver’s claims adjudicated.
- 2.7.14** Second, as Atradius has not yet paid the Receiver for any claims submitted, the Receiver is entitled to withdraw its assignment of accounts receivable to Atradius Collections for the purpose of pursuing each Subject Customer pursuant to the Receiver’s Collection Plan. Once judgment is obtained against each Subject Customer, the Receiver will consider re-assigning certain of the judgments to Atradius Collections, conditional upon Atradius honouring the claim. The Receiver believes that this will limit Atradius’ objections to paying the Receiver’s claims, while also making Atradius Collections’ efforts more streamlined, by assigning to

them enforceable judgments (as outlined further below) as opposed to invoice claims.

## 2.8 The Proposed Receiver's Collection Plan

2.8.1 In light of the volume and quantum of Fleet Card A/R, and the number of Subject Customers, the Receiver has determined that commencing individual court actions against each Subject Customer is not practical from a cost or timing perspective, and would be taxing on the court system and the estate. The Receiver has developed an alternative procedure for identifying and prosecuting claims to be advanced by the Receiver against the Subject Customers, which has all the necessary hallmarks of procedural fairness, balanced against the need for practicality and recovery in the estate and the integrity of the receivership generally.

2.8.2 The proposed Receiver's Collection Plan can be summarized as follows:

- a) **Service of Receiver's Collection Order.** The Receiver shall serve the Receiver's Collection Order on the Subject Customers by way of email or mail, as applicable. Any Subject Customer who objects to the Receiver's Collection Plan shall be entitled to return before the Court on the Comeback Date (as defined in the Receiver's Collection Order) to seek to vary or set aside the Receiver's Collection Order.
- b) **Claims Officer.** The Receiver has solicited proposals from qualified lawyers to act as the claims officer to administer the Receiver's Collection Plan (the "Claims Officer"). Following its review of the proposals, the Receiver has selected Edmond Lamek of DLA Piper LLP as the Claims Officer.
- c) **Notice to Subject Customers.** Immediately after the Comeback Date, the Receiver shall deliver a claim package (the "Claim Package") including the Receiver's Claim (defined below), a notice for publication (the "Notice to Subject Customers", a form of which is attached as Appendix "S"), an instruction letter (the "Instruction Letter", a form of which is attached as Appendix "T"), a blank form of notice of dispute (a "Notice of Dispute", a form of which is attached as Appendix "U"), a Settlement Offer (defined below) and any other documentation the Receiver may deem appropriate, to the Subject Customers, by mail or email. Further, the Receiver shall also: (a) cause the Notice to Subject Customers to be published in *The Globe and Mail*; and (b) cause the Notice to Subject Customers, the Instruction Letter, a blank form of Notice of Dispute, and the Receiver's Collection Order to be posted to the Receiver's Website.
- d) **Receiver's Claim.** The Receiver's Claim shall constitute the Receiver's request for payment of the outstanding indebtedness owing by each Subject Customer, calculated in accordance with the CCA and/or Guarantee, as applicable. The Receiver's Claim shall set out that the Receiver claims payment of the aggregate of: (i) the gross amount of all known unpaid invoices issued in respect of all fuel and other items purchased by each Fleet Card Customer and its truck drivers for the period September 9, 2019 to October 13, 2019; (ii) interest calculated at a rate of 18% from November 1, 2019 (this date was chosen as being both

administratively efficient, and because it is fair as it favours Subject Customers) in accordance with the CCA; (iii) where applicable, a 10% PAD dishonoured fee in accordance with the CCA, which applies where PAD request(s) were dishonoured by the applicable Subject Customer's financial institution (only one 10% dishonoured fee is applied even in the case of multiple dishonoured requests being made); and (iv) a fixed amount for the Receiver's collection costs, and legal fees associated with initiating the Receiver's Collection Plan up to and including the Acceptance of Settlement Deadline (as defined below) (collectively, the "Receiver's Claim Amount"). A form of Receiver's Claim is attached hereto as **Appendix "V"**.

- e) **Settlement Offer.** The Receiver is prepared to offer to each Subject Customer that it will accept, in full and final settlement of each Receiver's Claim, payment of the Receiver's Claim Amount less a litigation avoidance discount (the "**Settlement Amount**"). The Settlement Offer shall consist of a letter setting out that the Receiver will accept payment of the Settlement Amount in full and final settlement of the Receiver's Claim, if the Settlement Offer is accepted and payment is made by no later than 30 days from the date of service of the Claim Package (the "**Acceptance of Settlement Deadline**"). For the purpose of encouraging settlements, the Receiver intends to have regard for the rebate amounts sought by each Subject Customer in arriving at the litigation avoidance discount to be incorporated into the Settlement Amount. The Receiver shall provide any Subject Customer who pays the Settlement Amount by the Acceptance of Settlement Deadline with a full and final release relating to the Receiver's Claim. A form of Settlement Offer is attached hereto as **Appendix "W"**.
- f) **Notices of Dispute.** Any Subject Customer who disputes the amount of the Receiver's Claim, and does not accept the Settlement Offer, shall submit to the Receiver a completed Notice of Dispute by the date that is 30 days from service of the Claim Package (the "**Notice of Dispute Deadline**").
- g) **Default Judgment.** Any Subject Customer who fails to submit either payment of the Settlement Amount by the Acceptance of Settlement Deadline, or a Notice of Dispute by the Notice of Dispute Deadline, shall be deemed to admit the truth of all allegations of fact made in the applicable Receiver's Claim (the "**Undefended Claim(s)**"), including the amount(s) owing by them, in a parallel to Rule 19.02 of the *Rules of Civil Procedure* (the "**Rules**"). The Receiver shall be entitled to default judgment against said Subject Customers in the said amounts. Following the passage of the Acceptance of Settlement Deadline and the Notice of Dispute Deadline, the Receiver shall refer the Undefended Claims to the Claims Officer. The Claims Officer shall review the Undefended Claims, and shall prepare a report to the Court setting out its recommendations as to the quantum of the applicable default judgments (the "**Default Judgment Report**"). The Receiver shall be entitled to an omnibus default judgment against the defaulting Subject Customers, in the amounts set out in the Default Judgment Report, to be issued by the Court.
- h) **Disputed Claims.** Following the Notice of Dispute Deadline, the Receiver shall file with the Claims Officer the Receiver's Claim for which a Notice of Dispute has been received (the "**Disputed Claim(s)**"), any Notice of Dispute filed by the

Subject Customer in respect of the Disputed Claim, and any ancillary documentation accompanying these documents (the “Dispute Package”), for Disputed Claims that it intends to pursue. The Receiver shall provide notice to the applicable Subject Customer as to whether the Disputed Claim has been referred to the Claims Officer, or abandoned. For clarity, the Receiver shall be entitled to abandon any Disputed Claim that has not yet been referred to the Claims Officer, without costs.

- i) **Discretion to Settle Disputed Claims.** The Receiver and the Subject Customers shall be entitled to settle any Disputed Claims, on such terms as they may agree to, at any time. The Receiver shall forthwith advise the Claims Officer of any Disputed Claims that are settled.
- j) **Determination by Claims Officer.** Subject to further order of the Court, the Claims Officer shall determine the validity and amount of each Disputed Claim that has been referred. The Receiver anticipates that the majority of disputes shall be capable of determination on the basis of the written record contained within the Dispute Package, and the Claims Officer shall be entitled to render decisions on the basis of such written record. If the information contained within the Dispute Package raises issues which require further evidence, at the Claims Officer’s discretion, the Claims Officer shall be empowered to determine the process by which evidence may be brought before him or her, with the expectation being that the majority of Disputed Claims will be resolved on the basis of a written record. The Claims Officer shall have the discretion and authority to make an award of costs against either the Receiver or the Subject Customer, having regard for the factors set out in Rule 57.01 of the *Rules*, as part of his or her determination of the Disputed Claims.
- k) **Claims Officer’s Decision.** Following the determination of the Disputed Claims, the Claims Officer shall notify the Receiver and the applicable Subject Customer of his or her decision, in writing (the “Claims Decision(s)”).
- l) **Right of Appeal.** Each of the Receiver and each Subject Customer shall be entitled to appeal the Claims Decisions to the Court by serving upon the other and filing with this Court, within fifteen (15) calendar days of notification of the Claims Decisions (the “Appeal Period”), a notice of appeal returnable on a date to be fixed by this Court. If a notice of appeal is not filed within such period, then the Claims Decisions shall be deemed to be final and binding and there shall be no further right of appeal, review or recourse to the Court from the Claims Decisions.
- m) **Claims Officer’s Report.** Following the expiry of the Appeal Period, the Claims Officer shall file with the Court a report summarizing the Claims Decisions that have not been appealed (the “Claims Officer’s Report”). The Receiver shall be entitled to judgment against the applicable Subject Customers in the amounts identified in the Claims Officer’s Report, and shall bring a motion to the Court for the purpose of obtaining such judgments. As the Subject Customers referred to in the Claims Officer’s Report will have forfeited their right of appeal by failing to respond within the Appeal Period, the Receiver need not provide said Subject Customers with notice of this motion.

- n) **Hearing of Appeals.** Following the expiry of the Appeal Period, the Receiver will seek the direction of the Court regarding the procedure for the hearing of the appeals. All appeals shall proceed as true appeals on the basis of the record before the Claims Officer, and not as hearings *de novo*. To the extent that appeals raise common issues, the Receiver may seek to have such appeals consolidated. For clarity, as the decision-maker being appealed from, the Claims Officer shall not have any role in the appeal process.
- o) **Discretion of the Claims Officer.** The Claims Officer shall retain the discretion to control its own proceeding, having regard for the principles set out in Rule 2 of the *Rules*, and with a view to proceeding in the simplest, least expensive and most expeditious fashion. For clarity, the Claims Officer shall be entitled to make its reports to the Court as identified herein in stages, at its discretion.
- p) **Further Direction from the Court.** Each of the Receiver and the Claims Officer shall be entitled to seek further directions from the Court regarding the administration of the Receiver's Collection Plan, as necessary.

**2.8.3** The timeline contained in the Receiver's Collection Order will allow the Receiver to move forward with its collection efforts in a timely manner for the general benefit of the estate and all interested parties. The Receiver's Collection Plan is expected to result in the most just and expedient means of prosecuting claims against Subject Customers, who collectively owe over CAD\$20 million to the receivership estate.

## **2.9 Service on Subject Customers**

- 2.9.1** 908 primarily communicated with the Fleet Card Customers by way of email. Where no email address is available, the Receiver has retrieved physical addresses for the majority of Subject Customers. Attached hereto as **Confidential Appendix 2** is a copy of the contact information in the Receiver's possession relating to the Subject Customers. The Receiver continues to conduct searches to locate physical addresses for those Subject Customers for whom no physical address or email address is yet available.
- 2.9.2** For the purpose of the service requirements set out in the Receiver's Collection Plan, the Receiver proposes to serve Subject Customers by way of email or mail, as applicable, at the addresses set out in Confidential Appendix 2. Service in either manner shall be deemed sufficient.

**3.0****CONCLUSION**

**TO THE SUBJECT CUSTOMER IDENTIFIED IN THE ATTACHED SCHEDULE A:**

A LEGAL PROCEEDING HAS BEEN COMMENCED AGAINST YOU by the Claimant. The details of the claim made against you are set out in the following pages. The amount of the claim against you is set out at Schedule A hereto.

**RECEIVER'S CLAIM**

1. The Claimant, BDO Canada Limited, in its capacity as the Court-appointed receiver (in such capacity, the "Receiver") of 908593 Ontario Limited operating as Eagle Travel Plaza and Eagle Fleet Services ("EFS"), claims as against the subject customer identified in Schedule A hereto (the "Subject Customer"), damages as set out in Schedule A hereto, consisting of:
  - (a) any indebtedness owing to EFS by the Subject Customer, which was incurred during the period September 9, 2019 to October 13, 2019, pursuant to the applicable CCA and/or Guarantee (each as defined below) (the "Indebtedness");
  - (b) interest on the Indebtedness calculated at a rate of 18% per annum in accordance with the CCA (or alternatively, at the rate prescribed by the Courts of Justice Act, R.S.O. 1990 c. C. 43, as amended (the "CJA")), from November 1, 2019 to the date of judgment;
  - (c) post-judgment interest at a rate of 18% per annum, in accordance with the CCA (or alternatively, at the rate prescribed by the CJA);
  - (d) where applicable, a 10% fee arising from dishonoured pre-authorized debit payments, in accordance with the CCA;
  - (e) a fee of \$500 representing an estimate of legal and collection costs incurred to the date of issuance of the Receiver's Collection Plan Order (defined below) (the "Issuance Date");
  - (f) the Receiver's costs of this proceeding from the Issuance Date on a complete or, in the alternative, substantial indemnity basis, plus all applicable disbursements and taxes; and

- (g) such further and other relief as the Claims Officer (defined below) or the Court may deem just.

#### **Procedural Background**

2. EFS is a corporation that was incorporated pursuant to the laws of Ontario, with a head office in Tilbury, Ontario. Prior to the appointment of the Receiver, EFS carried on business as a fuel and fleet card service provider to customers consisting of truck transportation companies and sole proprietorships of varying fleet sizes.
3. The Receiver was appointed by way of the Order of the Honourable Justice Hainey of the Ontario Superior Court of Justice (Commercial List) (the "Court") dated September 30, 2019 (the "Appointment Order").
4. By order dated ~~2019~~, the Court authorized the Receiver to collect certain amounts owing to EFS by its customers, by way of a simplified procedure described therein (the "Receiver's Collection Plan Order"). A copy of the Receiver's Collection Plan Order is publicly available at the Receiver's website located at: <https://www.bdo.ca/en-ca/extranets/eagletravelplaza/>.
5. Pursuant to the Receiver's Collection Plan Order, the Court appointed a claims officer (the "Claims Officer") to adjudicate claims brought pursuant to the Receiver's Collection Plan Order, including the within Receiver's Claim.

#### **The CCAs and Guarantees**

6. As part of its business operations, EFS provided its customers with fuel cards allowing for the purchase of fuel and other items on credit. As a precondition to being eligible to

purchase fuel and other items on credit, each customer was required by EFS to enter into an Eagle Fuel Card Credit Agreement (each a "CCA").

7. The Receiver pleads and relies upon all of the terms of the CCA. Pursuant to the terms of the CCA, EFS's customers agreed, among other things:
- (a) to remain responsible for paying all charges incurred pursuant to the CCA, including the gross sale price of all goods and services purchased on credit using the fuel card issued pursuant to the CCA, inclusive of taxes, surcharges, and fees as may reasonably be determined by EFS;
  - (b) that interest shall accrue on any delinquent credit balance from the date due at the highest rate permitted by law or 18 percent per annum, whichever amount shall be less;
  - (c) to be liable for any legal or collection fees incurred to collect any delinquent balance;
  - (d) to authorize EFS to debit draft the customer's bank account for any and all outstanding charges during the approved calendar interval, at the dates and times chosen by EFS. The customer further agreed that any debit drafts not honoured by the customer's bank would entitle EFS to, among other things, charge a fee equal to the lesser of (a) 10% of the face amount of the debit draft, or (b) the greatest amount lawfully permitted to be charged on debit drafts returned unpaid; and
  - (e) that if the customer disputes any amount invoiced pursuant to the CCA, the customer shall notify EFS of the dispute within 48 hours of receipt of the invoice

(referred to as a statement), failing which the customer shall be conclusively deemed to accept the amount of the invoice.

8. In many cases, a customer's obligation to EFS pursuant to a CCA was secured by a personal guarantee, as set out in a schedule to the CCA entitled a "Guarantee Payment of Funds for Your Company" agreement (each, a "Guarantee").
9. The Receiver pleads and relies upon all of the terms of the Guarantee. Each signatory to a Guarantee (each, a "Guarantor") agreed, among other things:
  - (a) to be jointly and severally liable to EFS for any amounts owing to EFS by the applicable EFS customer; and
  - (b) to waive the giving or making of any demand.
10. The Receiver states that the Subject Customer was a signatory to either a CCA and/or a Guarantee, and is bound by the terms of said CCA and/or Guarantee.
11. Each of the CCA and the Guarantee identifies EFS Inc. as a signatory. The CCA also provides that "EFS refers to Eagle Fleet Services". The Receiver states that, as "EFS Inc." is not a registered entity, whereas "Eagle Fleet Services" is a business name registered to EFS, EFS is entitled to enforce the CCAs and the Guarantees, by its Court-appointed Receiver.

#### **The Subject Customer's Obligations to the Receiver**

12. Between the period September 9, 2019 to October 13, 2019, the Subject Customer incurred the Indebtedness, in its capacity as either a customer of EFS or a Guarantor.

13. To date, despite the Receiver's efforts to recover the Indebtedness through authorized debit drafts and other means, the Indebtedness remains outstanding.
14. The Receiver states that it is entitled to payment of the Indebtedness from the Subject Customer, pursuant to the terms of the CCA and/or the Guarantee, as applicable.
15. The Receiver further states that by non-payment of the Indebtedness, the Subject Customer has been unjustly enriched, to the detriment of the Receiver, for which enrichment there is no juristic reason. The Plaintiff pleads and relies upon the principle of unjust enrichment and seeks a disgorgement from the Subject Customer in an amount equivalent to the Indebtedness.
16. The Receiver pleads and relies upon the terms of the Receiver's Collection Plan Order, and any applicable Rules and/or statutes referred to therein.
17. If necessary, this Receiver's Claim may be served on a party outside of Ontario without leave in accordance with Rule 17.02 of the Rules of Civil Procedure because it relates to a contract that was made in Ontario.
18. This Receiver's Claim will be prosecuted before the Claims Officer in Toronto in accordance with the Receiver's Collection Plan Order.

**SUPPLEMENTARY AFFIDAVIT OF ANGELO CONSOLI  
(Sworn March 8, 2021)**

I, **Angelo Consoli** of the City of Hamilton in the Province of Ontario **MAKE OATH AND SAY:**

1. Capitalized terms used but not defined herein shall have the same respective meanings given to them in the Order of the Honourable Justice Hainey dated August 4, 2020 (the "Receiver's Collection Plan Order").

- 2 -

2. I am a Vice President of BDO Canada Limited, the Court-appointed receiver and manager of the assets, undertakings and properties of certain of the Respondents in this proceeding, and as such have direct knowledge of the matters to which I hereinafter depose.

3. I swear this affidavit further to the affidavit that I swore on October 27, 2020 (the "**First Consoli Affidavit**").

4. On August 5, 2020 I caused a copy of the Receiver's Collection Plan Order to be sent to certain of the Subject Customers by ordinary mail to the last known mailing address of each applicable Subject Customer, as set out in the schedule attached as **Exhibit "A"**.

5. On August 6, 2020 I caused a copy of the Receiver's Collection Plan Order to be sent to certain of the Subject Customers by email to the last known email address of each applicable Subject Customer, as set out in the schedule attached as **Exhibit "B"**.

6. Further:

(a) on August 6, 2020 I caused a copy of the Receiver's Collection Plan Order to be posted to the Receiver's Website;

(b) on August 28, 2020 I caused a copy of the Notice to Subject Customers, the Instruction Letter, and a blank form of the Notice of Dispute to be posted to the Receiver's Website; and

(c) the Notice to Subject Customers was published in the Wednesday and Saturday national editions of *The Globe and Mail* on September 2 and 5, 2020, respectively, all in accordance with the Receiver's Collection Plan Order. Copies of the aforementioned publications are collectively attached as **Exhibit "C"**.

- 3 -

7. Email transmissions sent on August 31, 2020 to seven of the Subject Customers, namely Deltaura Logistics USA Inc., Deltaura Canada Inc., 221203 Ontario Inc., Ahluwalia's Transport Ltd., RNJ Logistics Ltd., New Ways Transport Inc. and NAF Systems Inc., were not successful. On September 1, 2020 I caused a further copy of the Claims Package to be served on each of these Subject Customers via email to their last known email addresses, and these email transmissions were successful.

8. As of the Notice of Dispute Deadline and Acceptance of Settlement Deadline, the Receiver had not received a Notice of Dispute or payment of a Settlement Offer amount from any of the Subject Customers listed in the schedule attached as **Exhibit "D"**, each of which were served with the Claims Package in accordance with the Receiver's Collection Plan Order, as described in the First Consoli Affidavit (the "**First Service**").

#### **Service of Amended Receiver's Claims**

9. In the course of implementing the Receiver's Collection Plan, it became apparent that the legal names of certain of the Subject Customers had not been accurately recorded in Eagle Travel's records. In particular, as the Receiver reviewed documentation such as bank statements and cancelled cheques provided to it by certain Subject Customers in response to the Receiver's Collection Plan, and as its counsel conducted corporate and business name searches, the Receiver became aware that Eagle Travel's records listed a number of Subject Customers using their trade names rather than legal names.

10. Accordingly:

- (a) On January 29, 2021 and February 1 and 2, 2021 I caused a further copy of the Claims Package, including an amended version of the applicable Receiver's Claim

- 4 -

underlining any changes to the name of the applicable Subject Customer, to be sent by email to the last known email addresses of the applicable Subject Customer, as set out in the schedule attached as **Exhibit "E"**; and

- (b) On January 29, 2021, I caused a further copy of the Claims Package, including amended versions of the applicable Receiver's Claim underlining any changes to the name of the applicable Subject Customer, to be sent by ordinary mail to the last known mailing address of the applicable Subject Customers, as set out in the schedule attached as **Exhibit "F"** (collectively, the "**Second Service**").

11. For both the First Service and the Second Service, the Receiver sent the Claims Package to the Subject Customers using the same last known email address and mailing address of each applicable Subject Customer based on Eagle Travel's records.

12. To date, the Receiver has not received a Notice of Dispute or concluded a settlement with any of the Subject Customers listed in Exhibit "E" or Exhibit "F".

13. For clarity, a schedule listing the Subject Customers included in Exhibit "D" who were only served as part of the First Service is attached as **Exhibit "G"**.

14. A schedule listing all of the Subject Customers that the Receiver is seeking default judgment against, each of which were served with the Claims Package in accordance with the Receiver's Collection Plan Order but who have not filed a Notice of Dispute or concluded a settlement with the Receiver, including the amounts sought in the Receiver's Claim against the applicable Subject Customer, is attached as **Exhibit "H"**.

**Conversion Rate**

15. For purposes of converting United States' dollar denominated Receiver Claims into Canadian dollar claims, the Receiver determined that the Bank of Canada daily average rate for United States' dollars against the Canadian dollar on August 4, 2020 was 1.3372, which rate was utilized by the Receiver in converting United States' dollar denominated Receiver Claims into Canadian dollar claims for submission to the Claims Officer and the Court.

16. I swear this affidavit to state the facts herein.

## Airlines: No airport currently has the perfect screening regime, IATA head says

BY FROTH 21

"Governments reopening and then closing borders or removing and then reimposing quarantines does not give many consumers confidence to make travel plans, nor airlines to rebuild schedules," Mr. de Funiac said.

On top of domestic restrictions, the Canadian border has been closed to most travellers since March. Those allowed in must self-isolate for 14 days, with some exceptions.

Calgary-based WestJet and Vancouver International Airport say they will test some departing travellers on domestic flights in a trial project due to begin in the fall. An Air Canada executive told investors last week about a similar plan for Toronto Pearson Airport.

Tamara Vrooman, chief executive of the Vancouver Airport Authority, said the science and methods on testing change swiftly, and it is too soon to know which test will be used, or the people, procedures and regulatory requirements involved to administer it.

"Over time, if this works well, we would expect that more of the travelling public would be interested in taking the test," Ms. Vrooman said.

"And if we get to a place where the efficacy is very sound, then the health authorities may make a decision [like] they have with masks in the terminal and other things about the need to introduce testing. But we're way before that stage. We're really just trying to understand how testing would work in an aviation and travel context."

Ms. Vrooman said the preparation involves studying the latest approaches planned or in place at other airports.

Travelers walk outside the check-in area at Vancouver International Airport on Tuesday. The airport says it will test some departing travellers on domestic flights as part of a trial project set to begin in the fall. (BARRON DOVICH/THE GLOBE AND MAIL)

"We are aware that Air Canada is doing their own testing pilot with our colleagues at Toronto Pearson, and we're interested in the outcome of that as well," she said.

"We will be sharing our information with our colleagues in Toronto and with Air Canada, and we expect that they'll be doing the same with their pilot."

IATA's Mr. de Funiac said several airports and countries are testing methods for COVID-19, but the methods and reliability vary.

Passengers arriving in Iceland choose between a 14-day quarantine or a two-stage test and five to six days of isolation. London's Heathrow Airport is awaiting government approval to begin a system in which people who test clear on arrival and a few days later are released early from quarantine.

Mr. de Funiac said no airport in the world currently has the perfect example of the kind of regime the industry wants to implement.

Theresa Tam, Canada's Chief Public Health Officer, said last week the country's 14-day self-isolation requirement is a proven measure.

But she said the federal government is looking at various testing protocols as a way to reduce travel restrictions. "How we apply testing in that context is being actively explored," Ms. Tam said.

The Canadian Airline Industry, led by Air Canada, has been a vocal advocate for opening borders

to allow travel to resume and to limit the pandemic's economic damage to the carriers. Air Canada said it is using up about \$300-million a day of its cash reserves in the third quarter to continue operating.

"That is down from \$20 million after measures that include 10,000 layoffs and thousands of cancelled flights."

The Greater Toronto Airports Authority, which operates Toronto Pearson Airport, and Air Canada declined to comment.

## German leaders face increased pressure over Wirecard as lawmakers launch inquiry

JOHN O'DONNELL  
CHRISTIAN KREHMER, FRANKFURT

German lawmakers launched a parliamentary inquiry into the collapse of payments firm Wirecard on Tuesday in an effort to force the government to reveal more about a failure to avert the country's biggest postwar corporate fraud.

The investigation into the implosion of a company once seen as a German success story worth \$18-billion will increase pressure on deputy Chancellors Angela Merkel and her German Chancellor Angela Merkel and her deputy Olaf Scholz ahead of national elections next year.

Wirecard's demise has embarrassed Germany's government, which prides itself on a reputation for rectitude and reliability, and critics that authorities ignored red flags. "This was a fake company," said Fabio De Masi, a German lawmaker who played a key role in launching the inquiry that empowers parliamentarians to interrogate officials and demand information. "We are not getting the answer we need."

The German government has said Ms. Merkel brought up Wirecard's planned takeover of a company in China during a visit there in September, 2019, and that a senior official in her office subsequently pledged further support to Wirecard.

In an official parliamentary response, it said that Ms. Merkel did not know at the time of the irregularities at Wirecard, which is being dismantled after its disclosure of a €1.9-billion (\$3-billion) hole in its accounts in June beyond its insolvency.

Mr. Scholz, who heads Germany's Finance Ministry, is responsible for regulator BaFin, which has been criticized for failing to take Wirecard to task, spending years probing crime based.

A spokesman for the ministry said it would co-operate with the parliamentary inquiry and that it was working on stricter rules for audits, supervision and accounting controls.

The government has also said that there had

been more than 1,000 suspect transactions involving Wirecard since mid-2019, although most were not related to the scandal.

Money transfers are usually linked to Germany's anti-money-laundering agency if, for example, they are suspiciously large.

Wirecard's former chief executive, Matthias Pleiss, and other executives have been held on suspicion of running a criminal racket that defrauded creditors of €3.2-billion.

Those accused, including Mr. Pleiss, deny any wrongdoing. Former chief operating officer Jan Marek is on the run.

The company's collapse has highlighted Germany's lax oversight of financial firms, prompting authorities from regulator to local government to deflect responsibility for what one top official conceded was a "total disaster."

Instead of explaining itself, the government is stonewalling, said Ulf Fahl, of the Green party, announcing the alliance with the left party and pro-business Free Democrats (FDP) in launching the probe. Wirecard started out handling payments for gambling and adult websites and had processed payments for companies including Visa and Mastercard.

Some of the world's biggest investors held its shares before it upended after a whistleblower said it owed its success to a web of sham transactions.

Instead of explaining itself, the government is stonewalling, said Ulf Fahl, of the Green party, announcing the alliance with the left party and pro-business Free Democrats (FDP) in launching the probe.

The episode is unfolding as Germany holds the rotating presidency for the European Union, shaking key diplomatic meetings on European policy such as anti-money laundering.

The Financial Action Task Force, a global watchdog that oversees anti-money-laundering controls in various countries, is also due to carry out a routine review of Germany's record.

## SHIPPING GIANT MAERSK TO CUT JOBS IN LARGE-SCALE REORGANIZATION

COPENHAGEN Maersk will cut jobs in a major shakeup that will affect a third of the shipping giant's staff as it seeks to integrate its seaborne container and land logistics businesses, it said on Tuesday.

Maersk, which handles about one in five containers shipped worldwide, has been under pressure from investors to speed its transformation from an unwieldy conglomerate but has proved resilient in the face of the COVID-19 pandemic.

Cost cuts and its realignment of more-uptight guidance last month have helped to double its share price since March and its shares were trading up 9 per cent up at 9.65 a crown.

The company sold its oil and gas assets in 2017 to Total as part of its efforts to become a more streamlined company focused on its container and land logistics business for large customers such as Walmart Inc. and Nike Inc.

Under the shakeup, its Danco freight-forwarding business and Africa-focused carrier Salmarline will be integrated into

Maersk by the end of the year and their brands will cease to exist, Maersk said in a statement on Tuesday.

"Simplifying the organization will regretably impact jobs that no longer are needed," chief commercial officer Vincent Claes said earlier in an internal e-mail sent to Maersk employees and staff by Reuters.

A Maersk spokeswoman said that between 20,000 and 25,000 employees out of Maersk's total headcount of 60,000 will be affected by the restructuring.

The company did not say how many would be laid off and the internal e-mail also gave no detail on the number of job cuts.

Hamburg Süd, which Maersk bought in 2016, will remain a separate brand, but its back office will be rolled into that of Maersk, the company said.

The Hamburg Süd unit employs 4,500 people while Danco and Salmarline have 2,300 and 2,100 staff respectively, according to Reuters.

## EU RESUMES PROBE INTO AIR CANADA-TRANSAIT DEAL

European regulatory authorities have resumed their investigation into Air Canada's proposed purchase of Transat Air, giving themselves a few more months to hand down a decision.

The European Commission, which was awaiting additional data from the two Canadian travel companies, says it will reach a conclusion by Dec. 15.

The commission's antitrust body launched an investigation into the \$700-million deal in May to determine whether it would hurt competition in Canadian and European markets.

A preliminary review by the EU executive branch found that the would-be transaction could significantly reduce competition on 35 routes between the two jurisdictions.

The findings aligned with concerns highlighted by Canada's Competition Bureau, which warned in March — based on

information collected prior to the COVID-19 pandemic — that eliminating the rivalry between the two Montreal-based carriers would prompt higher fares and fewer services.

The bureau said the takeover would give Air Canada control of more than 50 per cent of transatlantic air travel from Canada and 45 per cent of passenger capacity to sun destinations.

The Trudeau government has not yet announced a decision on the deal.

Transat spokesman Christopher Marchand said that "economic studies on competition" were among the documents submitted to European regulators. Air Canada did not immediately reply to requests for comment.

Transat has said it expects to close the deal in the fourth quarter of the year.

## Cogeco HQ would stay in Quebec in takeover: Rogers

After Legault pledges to block any move of cable company's head office, suitor affirms its commitment to the province

ALEXANDRA POSADENI TELECOM REPORTER

Rogers Communications Inc. is vowing to keep Cogeco's headquarters in Quebec if it is successful in acquiring its Canadian operations, after Quebec Premier François Legault said he wouldn't allow the company to relocate to Ontario.

Rogers and New York-based cable company Altice USA Inc. went public on Wednesday with an unsolicited \$11.3-billion offer to buy Cogeco Inc. and Cogeco Communications Inc., Cogeco's U.S. network, Atlantic Broadband, while Rogers would acquire Cogeco's Canadian arm, a unit with 1.8 million subscribers, for \$4.9-billion.

The offer was promptly turned down by the Audet family, which controls the Montreal-based business, and independent directors of the two companies.

It also drew opposition from Mr. Legault, who said that losing a head office as important as Cogeco's is "out of the question."

"It's not a move (we're) looking at," the Quebec company move (its headquarters in Ontario), Mr. Legault said during an interview Wednesday on Quebec City Cogeco station FM95.

In a statement issued Friday, Rogers said it is committed to expanding its presence in Quebec and would keep the Cogeco headquarters and management teams in the province if it succeeds in its takeover attempt. Rogers currently has 3,000 employees in Quebec, including at its Montreal-based mobile carrier 710, which it acquired in 2014.

"Rogers and Altice have deep roots across Quebec and we want to build on them," Rogers president and chief executive officer Joe Natale said in a statement. The company pointed to its acquisition of 710 as a recent example, which saw the mobile carrier remain headquartered in Montreal, as evidence of its commitment to the province.

A spokesman for the Quebec Premier reiterated on Friday the importance of Cogeco's head office for the province and said discussions between the government and Cogeco's

executive chairman Louis Audet are continuing.

"Mr. Audet was clear in his intentions this week," Brian Savoy said in an e-mail.

Some business executives and observers based in Quebec say there was a certain naïveté in the way the offer by Altice and Rogers failed to address Quebec's long-standing sensitivity to the prospect of losing its home-grown companies. The suitors should have moved forward more diplomatically and laid more groundwork to win support for their approach, they say.

"This was an offer whose aim was to get the Audet family to the negotiating table. But for it to be well received, they could have added a bit of sugar to it. And that's not what happened," said Louis Hébert, a mergers and acquisitions specialist at Montreal's FRC law-firm.

Rogers had to make this commitment to the province, not only to salvage the bid but also to protect its own long-term reputation and standing in the province, Mr. Hébert said. "They have to make sure they don't antagonize their existing mobile clients and other people who are already on their side."

Under the proposed deal, the Audet family would receive \$100-million for their multiple voting shares of Cogeco Inc., which, according to the company's annual report, have a book value of \$27-million.

Public shareholders would receive \$100.50 per share of Cogeco Inc. and \$132.25 per share of Cogeco Communications Inc. — a 20-per-cent premium to where the two stocks were trading prior to the offer being made public.

Rogers director Robert Déry, who once headed up communications company Quebecor Inc., said the takeover would provide long-term benefits to the province.

"This is an opportunity to leverage the full weight of Rogers to make even more meaningful, long-term investments to benefit Quebec now and into the future," Mr. Déry said in a statement.

## Transport Canada issues fines to two air travellers for refusing to wear masks

ERIC ATKINS TRANSPORTATION REPORTER

Two air travellers are facing \$1,000 fines after refusing to wear masks aboard WestJet flights. The penalties are the first ones imposed by Transport Canada under new laws aimed at limiting the spread of COVID-19, the federal government said Friday.

"In both incidents, the individuals were directed repeatedly by the air crew to wear their face covering during the flights and in both cases, the individuals refused," the federal aviation regulator said in a statement. "All travellers must also comply with any instructions given by a gate agent or a crew member with respect to wearing a face covering."

The unnamed air travellers were on separate flights — on June 14 to Waterloo, Ont., from Calgary and on July 7 to Calgary from Vancouver.

The federal government issued an interim face covering or "zero tolerance" policy for passengers when refuse to wear a face covering by denying them boarding or returning them to the gate to be ejected. Offenders will then be barred from flights operated by WestJet and its affiliates for 12 months.

The two passengers who were fined were reported by onboard employees to company security, who then notified Transport Canada, WestJet spokeswoman Morgan Bell said in an e-mail.

While one cabin crew are trained to manage these types of situations, these incidents reinforce the need for new updated policy, as it pro-

vides clarity and support for our employees to enforce the regulation," Ms. Bell said. "Canadian travellers and our employees are counting on us to keep them safe, and travellers must understand (and) if they choose to not wear a mask, they are choosing not to fly our airlines."

Since Sept. 1, WestJet has barred four customers for refusing to wear face coverings, Ms. Bell said. "To date, we have safety flown more than 100,000 guests on more than 19,000 flights, and these cases do not represent the overwhelming majority of our guests, who are doing an excellent job adhering to the regulations to ensure the safety of all."

WestJet's move to eject and bar offenders was lauded by the unions representing the Calgary-based airline's pilots and flight attendants. "For a safe and sustainable recovery from the impacts of COVID-19, all sectors of the aviation industry and government must work together to find practical solutions," said Tim Paton, the Canadian president of the Air Line Pilots Association. "Taking steps like this will build increased passenger confidence and keep those flying safer than before."

Airline collapse in demand for air travel flights around the world are trying to ensure people it is safe to fly. Masked, sealed-back in-flight services, contactless check-in and heightened plane sanitization are some of the steps they are taking. WestJet and Air Canada are working with airport authorities in Vancouver and Toronto, respectively, on a COVID-19 test for customers, similar to those in place elsewhere.

However, quarantines and closed borders have made international travel difficult. If not possible, even for people who want to fly. Almost all the world's airlines require masks on board. The safety measure is backed by regulations in the European Union but not the United States.

## Canopy Growth lays off unspecified number of staff as restructuring continues

SMITHS FALLS, ONT.

Canopy Growth Corp. is laying off another round of workers at the cannabis company continues to restructure.

The Smiths Falls, Ont.-based company would not say how many employees were affected by the cuts, but confirmed they were based at its Niagara-on-the-Lake, Ont., and Smiths Falls locations and said it would share more details in the fall when it releases financial results.

Niagara-on-the-Lake is home to Canopy's Weed Farms and

Smiths Falls hosts the company's headquarters.

The layoffs come after Canopy let go of 30 operations staff in Smiths Falls on July 8.

The cannabis company behind the Tweed and Tokyo Smoke brands also cutted 500 people from its work force in March and 65 in April. The cuts were triggered by a restructuring Canopy began after finding that the Canadian recreational cannabis market is developing slower than anticipated and faces pricing profitability challenges.
