Ms. Hamilton seeks an adjournment on the basis that some of the syndicated investors oppose the approval of the receiver's 13th report, but they have not yet clearly articulated their opposition. They also have not had the benefit of reviewing the report on the website. I thought inadvertently by the receiver it was not posted, but that will be done shortly. Ms. Hamilton has agreed to provide materials to the receiver which set out the concerns →

of the syndicated investors by November 12, 2019.  
A motion date will then be set by the  
receiver for the approval of the report.  
Costs of today's appearance to be reserved  
to the judge hearing the motion.
